June 2021

NHHSA

New Horizons Home School & Academy

Happy Father's Day to All Great Dads

You do not go overlooked. Ever. We appreciate your steadfastness, your hard work, and your constant support. Dads are fab.

Update to the Mask Mandate

While we keep masks on our educators when they are working with your kids, we're making mask wearing for children in the classroom optional.

Summer Enrichment Starts June 1

We have a record number of children attending our summer classes this year. June promises to be one heck of a productive month.

To Our Super Heroes!

Happy Father's Day. Your steady hand in guiding their way, your love, your support, your caring, and your daring. None of it goes overlooked and we thank you for being the pillars that you are.

June Calendar

Now that we're back to a normal 5-day a week schedule, we can return to our normal practice of posting the monthly calendar on Facebook and on our website (you can click the link below). And, btw, the yearly calendar for the next school year is also

posted now. So, check it out!

Calendars

Mask Mandate Updated

As of June 1, masks in the classrooms will become optional for students. Our other protocols remain in place: temperature checks, handwashing procedures, hand sanitizing, etc.

Educators will be required to wear masks when they are within 3' of your student (which is most of the time). The mask mandate will also be relaxed for educators who have been vaccinated. Please understand that some educators may *choose* to wear a mask anyway.

Commencement Ceremonies 2021

Finally! Our commencement ceremony this year will honor the Class of 2020 & the Class of 2021. Because of this, and because our venue has limited the number of people who can attend, we will have two separate graduations on the same day. All graduating seniors will be celebrated at 7 p.m.

Our ceremony will be held at the beautiful Wyndham Hotel & Resort, Airport, in the AV Theater. We are hoping to be able to livestream the event and will inform all graduating families the moment we have worked out the particulars. If you are graduating this year, a very heartfelt congratulations to you! It was a difficult year and yet you persevered and that is what success is made of. Well done.

On-Campus Classrooms are Filling Up Fast

Seriously, it's no sales gimmick. Our on-campus schooling classrooms *are* filling up fast. In fact, NHHSA East, has already closed two of its classrooms to new enrollments and has started a waiting list.

GET BUSY!

So, if it's on-campus schooling that you're looking for, start the enrollment process now.

Home-bound students are allowed 2 days a week for in-class instruction. We welcome your enrollment submissions.

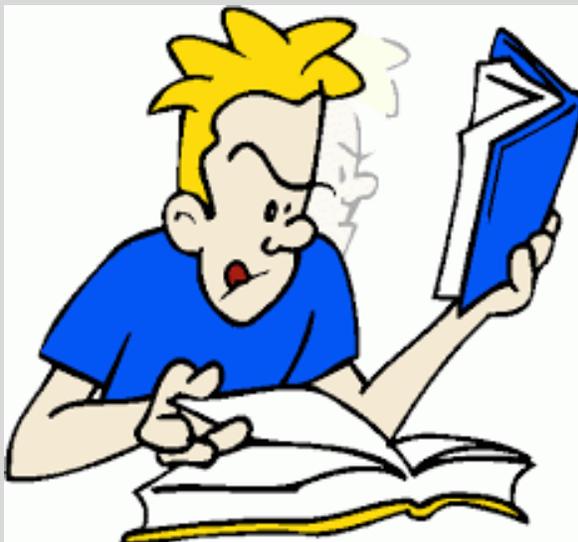

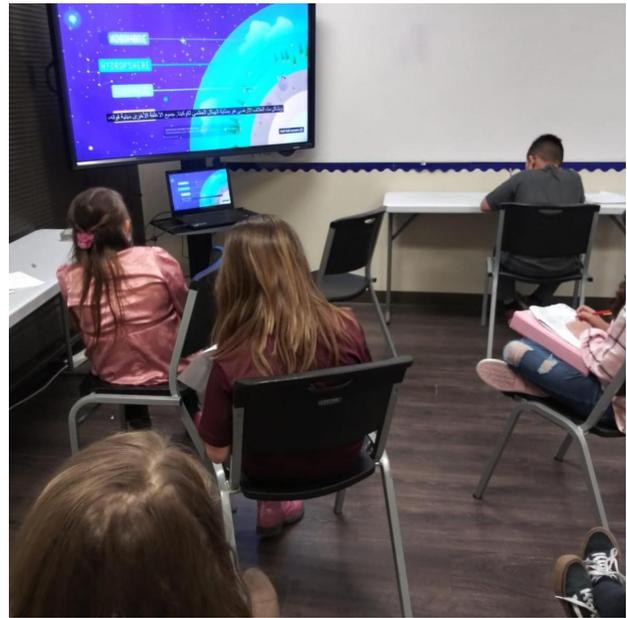

Summer Enrichment Begins

So, let's face it. This has been a tough year for most students and many of them could use extra help before the coming school year begins.

If your student is one of those, this is the time to call. We'll get them over the hump.

Or you can visit our website if you want to know more about what we do. We have three locations to serve you: NHHSA East, NHHSA West, & NHHSA Transmountain.

[Visit our website](#)

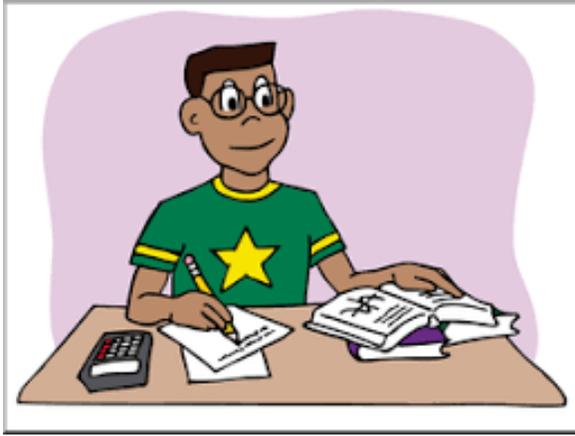

Summer Program Eastside Campus

Our summer program will begin **June 1**, regular hours, 5 days a week.

We will be accepting students in grades PreK to 12th, including those who need June & July to complete their grade levels and those whose parents are simply looking for continued summer enhancement. (Some kids just do better when they continue their studies!)

If your student will be participating in our summer program because it is required or "just because," let us know!

Summer Program Westside Campus

Our Westside campus will be working with students who want to continue their studies or need to complete their grade levels in grades 7th to 12th. Their program also begins **June 1**.

The Westside campus will also be available for **MATH** or **WRITING & COMPOSITION** one-on-one tutoring.

Call Us for more information. 915-856-7243. Make sure to specify which campus is your preference.

Summer Program Transmountain Campus

Our Transmountain campus plans a special **Reading Camp** and an **Arts Camp** (on different days) for students in grades PreK to 4th and a **Math Boot Camp** for students in grades 7th to 12th.

Their summer program also begins on **June 1**.

Call Us at 915-856-7243 or call the Transmountain Campus directly at 915-642-4352 to save your student's seat.

For information about Enrollment and space availability for on-campus study, call us at the number below or email us at contact@nhhsa.com.

NHSA has three on-campus locations to serve you:
Eastside, Westside, & Transmountain
