NHHSA

New Horizons Home School & Academy

Happy Mother's Day to You Wonderful Moms

This is your special day. We hope you feel extra appreciated on this one day of the year where the celebration is all yours!

Return to Normal Classroom Schedule - June 2021

We keep all of our safety & health protocols in place while we return to 5-days a week schooling. More information below.

Summer School Begins June 1

When your student needs extra time, extra studies, added assistance, or is required to attend in order to complete their grade level or enhance their studies, Summer School follows seamlessly. See below.

Dear Moms,

There will never be a day when you don't matter. But on this day, when you are rightfully celebrated, may you know how much you are needed and how dearly you are loved!

May Calendars

May Attendance & Activities calendars are ready and set for you to stay up-to-date.

Simply click the link below to access and download both.

Field Trips - Yay!!

So, we can't let this HIGHLY UNUSUAL year end without a little bit of fanfare! Of course not. Therefore, we have 2 field trips scheduled for this month: first to the ZOO for grades PreK to 6th (**May 21**) and second to the Park for our hard-working 7th to 12th grade students (**May 25**).

Wanna join us! Why, YES, of course you are welcome to!

Last Day of School & Noon Dismissal

The last day of school for this semester is May 26. We would cry but we're too grown up for that. So, we simply want to thank you for joining us this school year and look forward to working with you again.

Please remember our **EARLY DISMISSAL** on May 26 - 12 noon!

You have *ALL* been wonderful about observing our safety protocols and we have stayed healthy the whole year. Thank you!

We're Feeling the LOVE!

A record number of you re-enrolled for our next school year. **Thank you!** We feel the love and we're looking forward to our continued work with you and your children.

But, if you're leaving us this year, thank you too! We enjoyed the working relationship and hope all matters educational continue to work in your favor wheresoever you go!!

Summer School Starts June 1

We can't tell you how excited we are to be returning to 5-day a week classrooms but, actually, we will.... **WE'RE REALLY EXCITED** to have a semblance of normalcy.

So, if you're joining us this summer, make sure you let us know. Aside from full-week study, the hours remain the same and we'll keep you posted of our plans through these newsletters as always.

Have questions or not sure if Summer School is recommended for your student this year? Call us. We'll clear things up in a jiffy! 915-856-7243.

Calling All Graduates

Class of 2020

Class of 2021

It's OFFICIAL! We've been confirmed to hold our Commencement Ceremonies on Wednesday, June 2, 2021 at the beautiful Wyndham Hotel & Resort (Airport).

Our thoughts, of course, immediately go to our Class of 2020 who, despite our best efforts and our three scheduled ceremonies, we were unable to celebrate because of the raging pandemic. Now that pandemic numbers are more under control and, given that El Paso County has really done so well in its vaccination efforts, the Wyndham assures us they are now hosting events and we are clear to move forward.

So, we want to include the Class of 2020. They deserve it and they've waited long enough.

The Wyndham management is clear that, in the interest of health & safety, they want to lesson the numbers that attend any event. In our case, they've limited us to 100 total participants and this number will have to include our staff. All of our guests and staff will also be required to wear masks.

It is clear to us that we will have to hold two separate events: one at 5 p.m. & one at 7 p.m. The matter of *how* these two events will be divided is still in question. So, please stay tuned. It is our intent to inform you no later than mid-May.

In the meantime, we will make our announcement of the Valedictorian & Salutatorian for the Class of 2021 in a few days. We are counting down and look forward to speaking with you soon!

Summer Program Eastside Campus

Our summer program will begin **June 1**, regular hours, 5 days a week.

We will be accepting students in grades PreK to 12th, including those who need June & July to complete their grade levels and those whose parents are simply looking for continued summer enhancement. (Some kids just do better when they continue their studies!)

If your student will be participating in our summer program because it is required or "just because," let us know!

Summer Program Westside Campus

Our Westside campus will be working with students who want to continue their studies or need to complete their grade levels in grades 7th to 12th. Their program also begins **June 1**.

The Westside campus will also be available for **MATH** or **WRITING & COMPOSITION** one-on-one tutoring.

Call Us for more information. 915-856-7243. Make sure to specify which campus is your preference.

Summer Program Transmountain Campus

Our Transmountain campus plans a special **Reading Camp** and an **Arts Camp** (on different days) for students in grades PreK to 4th and a **Math Boot Camp** for students in grades 7th to 12th.

Their summer program also begins on **June 1**.

Call Us at 915-856-7243 or call the Transmountain Campus directly at 915-642-4352 to save your student's seat.

Open Call for Future Doctors & Future Entrepreneurs

NHHSa has employed specialized schooling programs for students preparing for careers in the medical field for three years. And now we're expanding these specialized programs to include one for students who plan on entering into business as entrepreneurs.

We are now accepting applications for students who plan to enter the medical or business fields. Classes limited to 4 students each on each campus. Call us for more information.

For information about Enrollment and space availability for on-campus study, call us at the number below or email us at contact@nhhsa.com.

NHHSa has three on-campus locations to serve you:
Eastside, Westside, & Transmountain
