

Go to the App Store and download “Discord”.

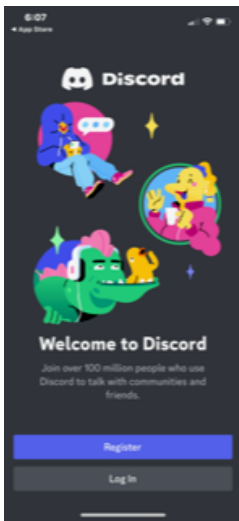

Install “Discord” to your device.

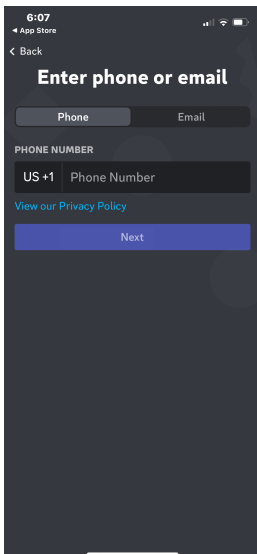

You may need your device password to install the app.

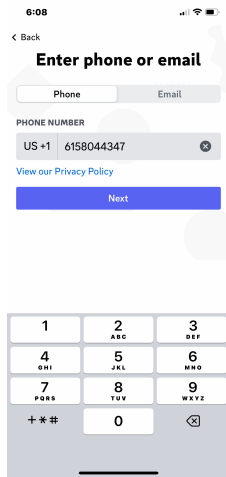

Open the installed app.

Register your information for a new account.

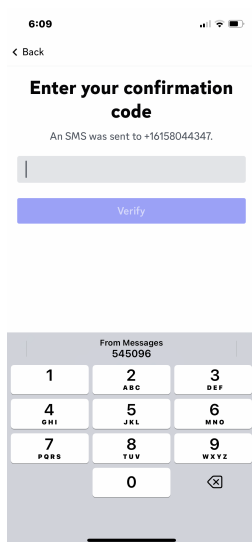

Enter your PHONE number to be notified. You'll receive 911 alerts via text.

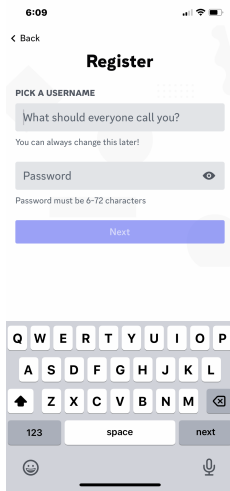

After entering your PHONE number, tap NEXT.

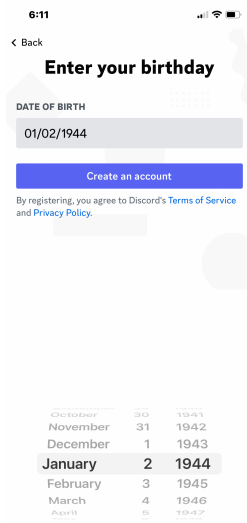

Tap the appropriate images to prove you're not a robot.

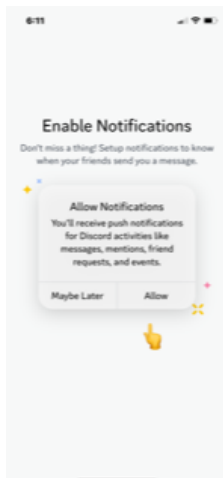

You will immediately receive a confirmation code via text. Enter that code and click VERIFY.

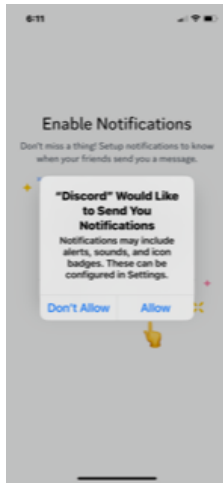

Register your USER NAME. Please use your real name so we can verify you are a Kove Member. Enter a PASSWORD (save it to your records). Tap NEXT.

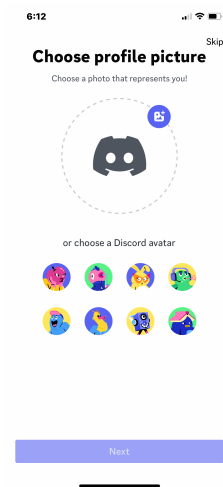

Enter a birth date. I suggest you NOT use your actual birth date. Discord wants to make sure you're over 21. Make sure your birth year reflects this.

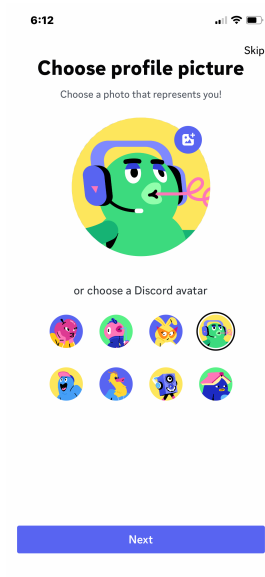

It's very important you ALLOW notifications. That way 911 Alerts appear on your locked phone.

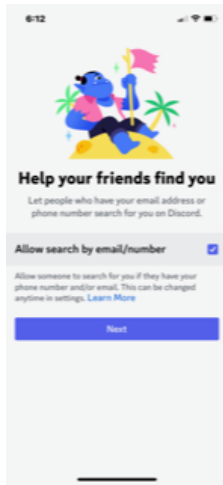

You will be asked a second time to ALLOW notifications. Tap ALLOW.

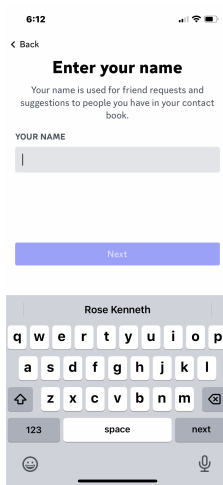

You will be asked for a profile picture. You can use any picture from your device or you can choose a Discord avatar.

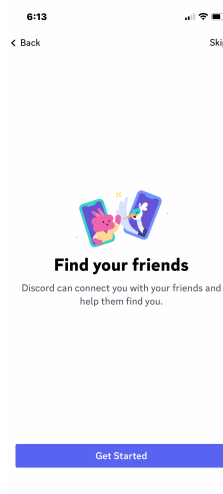

Upload your picture and tap NEXT.

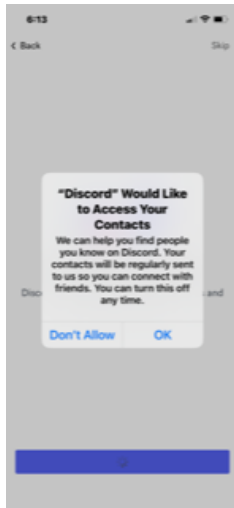

You will be asked if you want friends on Discord able to find you. You can do this or not, it doesn't effect the 911 Alerts.

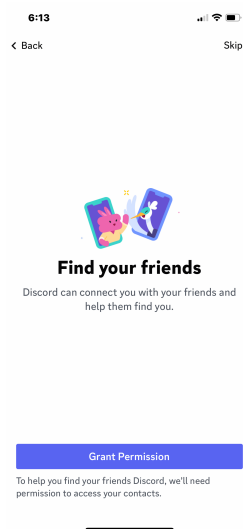

Enter you name again. Tap NEXT.

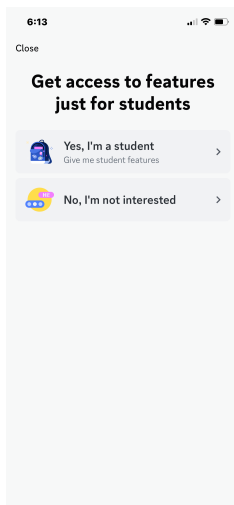

Discord will ask if you want to “Find Friends”. Tap SKIP, for now (upper right).

Discord will ask for access to you contacts in order to find your friends on the site. You can do this, or not. It won't affect Kove 911.

If you grant permission to access your contacts, Discord will ask to connect with your friends. Tap SKIP, for now (upper right).

Discord will ask if you're a student. Tap "NO, I'm not interested".

You are now registered with Discord. In a few weeks, once everyone in the Kove has had a chance to register, I'll send out an "Invitation Link" that will allow you to become a member of the "Kove Estates 911" site. If you have an issue registering, contact a member of the Kove Communications Committee:

Matt Coale 615-351-7762

Dave Condiff 407-929-5702

Allan Dayton 502-572-5356

Gerry Demers 617-312-8209
