RE: Legislation Request for 2023 Tax Year/2024 Collection Year Tax Budget

1. Nature of Legislation:

The 2024 Tax Budget is required to be submitted to the Summit County Budget Commission by July 20, 2023.

2. Why is it being proposed:

Ohio Revised Code Section 5705.281 requires a political subdivision to adopt a Tax Budget or Alternative Tax Budget annually by July 15th and submitted to the Summit County Budget Commission by July 20th. The tax budget is a preliminary estimate of anticipated resources by fund for the upcoming fiscal year. Summit County sets tax rates for those funds that have property tax as a source of revenue.

The City of Twinsburg has three funds that have property tax as a source of revenue:

Fire Pension (Fund 290) - 0.3 Mill
Police Pension (Fund 291) - 0.3 Mill
Police & Fire Levy (Fund 295) - 2.40 Total Mill

3. Is there a need for an emergency clause? If yes, please explain why:

No.

COUNTY OF SUMMIT

Background

Substitute House Bill No. 129 (HB 129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Under the law in effect prior to June 3, 2002, the budget commission could only waive the tax budget for a subdivision or other taxing unit that was receiving a share of the county undivided local government fund or the county undivided local government revenue assistance fund under an alternative method or formula pursuant to ORC Sections 5747.53 and 5747.63. Thus, tax budgets could be waived only for counties, municipalities, townships and park districts. This restriction is now removed.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34 and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

At a May 7, 2002 Summit County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (including schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

The fiscal officer of a political subdivision (not a school district) must file one signed copy of this document with the Summit County Fiscal Officer, on or before July 15.

Revised 06/29/10

GUIDELINES FOR COMPLETING THE ALTERNATIVE TAX BUDGET INFORMATION

SCHEDULE 1

The general purpose of schedule 1 is to meet the requirement of Ohio Revised Code (ORC) Section 5705.04 which requires the taxing authority of each subdivision to divide the taxes levied into separate levies. For help use the Summit County Budget Commission Certification of Tax Levy Estimate issued by the budget commission for the current year and add any new levies. This will help to ensure that no levies are missed.

In column I list only those individual funds which are requesting property tax revenue. In column II purpose refers to the following terms; inside, current expenses and special levy for example. In column IV levy type refers to renewal, additional and replacement for example. In column IX state the estimate of gross property tax.

SCHEDULE 2

The general purpose of schedule 2 is to demonstrate the need to produce property tax revenues to cover the estimated expenditures for the budget year.

ORC Section 5705.341 states in part; Nothing in this section or any section of the ORC shall permit or require the levying of any rate of taxation, whether within the 10 mill limitation or whether the levy has been approved by the electors, the political subdivision or the charter of a municipal corporation in excess of such 10 mill limitation, unless such rate of taxation for ensuing fiscal year is clearly required by a budget properly and lawfully adopted under this chapter or by other information required per ORC 5705.281."

Property Taxes include real estate taxes, public utility personal property taxes, homestead and rollback amounts.

Personal Property Tax Reimbursements include public utility personal property and tangible personal property reimbursement amounts.

Total Expenditures: all expenditure line items and transfers out. In columns II and III complete the data from the last two fiscal years.

SCHEDULE 3

The general purpose of schedule 3 is to produce an Official Certificate of Estimated Resources for funds that do not receive property tax revenue. In column V the total estimated receipts should include all revenues plus transfers in and

SCHEDULE 4

The general purpose of schedule 4 is to provide inside/charter millage for debt service. The basic security for payment of general obligation debt is the requirement of the levy of ad valorem property taxes within the 10 mill limitation imposed by Ohio law. Ohio law requires a levy and collection of ad valorem property tax to pay debt service on general obligation debt as it becomes due, unless that debt service is paid from other sources.

SCHEDULE 5

The general purpose of schedule 5 is to provide for the proper amount of millage to cover debt service requirements on voted bond issues. Major capital improvement projects are sometimes financed through the use of voted bonds. The taxing authority seeks voter approval of general obligation bonds and of the levy of property taxes outside the indirect debt limitation in whatever amount is necessary to pay debt service on those bonds.

In column VI you must take into consideration any carry over plus or minus cash balance estimated for the current year. This can happen because there are no sure things concerning tax payments and the valuation of personal property taxpayers.

SCHEDULE 6

The general purpose of schedule 6 is to properly account for tax anticipation notes. See schedule 6 for more details.
