JJ Shampoo

Directions for use:

1. Rinse as much loose dirt and debris from your horse as possible.
2. Place an amount of JJ Shampoo in your hand and work into the horse's coat until you create a lather.
3. Continue this process all over the horse avoiding the eyes and nose.
4. Rinse off with clean water and assist the drying of the coat where possible.

When used regularly, JJ Shampoo is designed to maintain a clean and healthy coat.

Ingredients: Homeo-Harmonised Water (Aqua), Cocamidopropyl Betaine (Coconut oil), Cocamidopropyl Lamine (Coconut oil), Myristamine Oxide (Coconut oil), "Sterichelle" (Alkyl Dimethyl Benzyl Ammonium Chloride, Alkyl Ethyl Benzyl Ammonium Chloride), Citric Acid, Ammonium Chloride.

This product contains no aldehydes, alcohols, chlorines, phenols or parabens for the benefit of you and your horse, while protecting the environment structure of the planet by being readily biodegradable.

"Sterichelle" has been tested effective against bacteria, viruses, moulds, fungi, spirochetes, bacterial cysts and fungal pores that are potentially harmful to your horses.

STORAGE: Keep in the original container. Store in a cool dry place away from children. All empty containers should be recycled using the appropriate facilities offered by your local authority.

JJ Equine is a brand of Pearson & Black Ltd.
