

May 2023 - 3S Newsletter

Recently, I've been thinking about what might be the greatest paintings in the world and where in the world these paintings are today (I did not include any of my paintings).

Of course, beauty is in the eyes of the beholder but I found an interesting video that includes several of my all time favorite paintings and artists. Since I've been lucky to see some of these works in person, I'm happy to share with you one person's view of the top paintings in the world.

12 Greatest Oil Paintings

Art Shows in 2023
