**NOTES FROM YOUR COMMANDING OFFICER (OWEN PALMER)**

Hello, I am trying to put together a reunion in September in Charleston. I will let you know the updates when we know more. Also, special welcome to our new Quartermaster, Jackson Plant. And a big thank you to our out going one, Richard Niles.

**FROM YOUR QUARtermaster (JACKSON PLANT)**

We are requesting a head count for those who think they may attend a get together in Charleston,S.C. Even if you only think you may attend, please let us know for planning purposes. You can call or email OJ or myself.

On personal note, I served on USS O'Bannon from 1991 to 1994. I was a QM3 and I really enjoyed my time out of all the ships and subs I served on that was my favorite command.

Again, this is your newsletter, and your inputs are appreciated and needed to keep it going.
