

PLEASE SHARE OUR FOUNDERS' VISION FOR THE PARK

KOFA Ko-op was founded in 1985 by a group of Escapees who had a vision of a place to spend time that was attractive, friendly and affordable. Everything at KOFA has been built as a team, each contributing their own unique talent and interest. With more than 20 committees, everyone can find a place to help maintain the dream.

Working together we build strong bonds and create new visions as we "Pay it forward" as did our founders.
