### Luncheon with "The Amazing Richard"

Please join us at our October Luncheon where Richard Archer, aka "The Amazing Richard" has been studying, performing and teaching magic for 25+ years. He first caught the "Magic Bug" when an uncle pulled a playing card from behind his ear when he was a young child! Richard was absolutely astounded and, in that moment, his incredible career in Magic began! He started practicing magic when he was only 8 years old!! Richard was self-taught and read and re-read any book he could find on Magic! When he attended Barnstable High, Cape Cod Magician mentors Paul Earle and John Coulter taught him a few more tricks of the trade. He also studied Stage Craft and Theatrical Stage Effects while at school. He then went on to the University of Massachusetts where he pursued Theatre Arts and English and was trained in both Technical Production and Acting. After graduating, he became the co-founder of the Theater Cooperative in Somerville. He is actively involved with numerous organizations specializing in Magic and has worked as a Technical Director for professional regional theaters. He combines his unique set of Magic, Theatre, Technical, and Design skills to create spectacular Magic presentations!! Richard has become a phenomenal magician who consistently mesmerizes his audiences - both adults and kids alike! He has performed in hundreds of venues, including South Shore Music Circus! He is truly a gem!
