

President's Spring Message

Trees, bushes and flowers are blooming! A new beginning. The Women's Club of New Seabury is planning a full calendar of events during the Spring and Summer for you and your guests.

In April, we hosted a luncheon at Bleu Restaurant with guest speaker, Marie Stevenson, who shared an amusing review of her travels.

LOOKING AHEAD

May 10th is a luncheon at the Club at New Seabury with guest speaker, Master Gardener, JoAnn Trautmann, from Beacon Gardens in Osterville, who is an expert on "EVERYTHING A GARDENER NEEDS TO KNOW". Just in time for summer! Please plan to join us—registration deadline is May 3 and information about how to register may be found on our website <https://womensclubofnewseabury.com>.

June 23rd—the Women's Club is hosting a new fundraising event — **CASINO NIGHT** —at the Club at New Seabury Ballroom. Because food insecurity in our community continues to grow (especially considering the rising price of food), we have decided to host an additional fundraising event this year. An important part of this fundraiser is the Casino Night raffle which includes three fabulous prizes....privately chartered boat cruise on a 32' Regulator for you and 7 others (you can chart your own course!), a week getaway at a Jay Peak condo and a round of golf for 4 at New

Seabury. Earlier this week, you should have received a letter enclosing raffle tickets. We appreciate your consideration as funds raised through the sale of raffle tickets and at this event will add much needed support to our beneficiaries in these difficult times.

For more information about the event and the raffle tickets, please visit our website <https://womensclubofnewseabury>.

July -- We are planning a GIRLS NIGHT OUT (date, time & location TBD)

August 10th — Our traditional NEW MEMBERS TEA will be held at the Club at New Seabury to welcome our new members. Our guest speaker, Tamsen George, author of “Allegiance: Life and Times of William Eustis”, will share with us the special place Dr. Eustis holds in Massachusetts history.

A final note: May brings spring flowers but it will also bring an invitation to renew your membership with the Women’s Club of New Seabury. Being part of this organization has hopefully provided you with opportunities to make new friends, enjoy interesting activities while contributing to our philanthropic efforts to support the food and education needs of our community.

Every best wish for a peaceful and healthy Spring and Summer. Look forward to seeing you all at future WCNS gatherings.

Ann Everett
President
