AUGUST AUTHOR EVENT

Have you ever wondered what it would be like to take time all to yourself and let yourself experience all the emotions; all those thoughts; and truly know how you want your life to proceed.

Joan Anderson did that for a year, and she then wrote a book about it: A Year by the Sea. It opened up a career for her and a life that she perhaps never dreamed of.

Join us for her inspirational talk about her life's journey, and how we all can Chart a Course for a Second Journey.

Bring your friends, invite your Book Club, bring your daughter or Mom. All invited.

Women's Club of New Seabury
cordially invites you to

Golden Jubilee Cocktail Party

Enjoy a champagne toast and hors d'oeuvres.

Live music by Johnny Todd and the Tag Team.

Looking Back.....

Cape Harmony

If you're fond of sand dunes and salty air
Quaint little villages here and there
You're sure to fall in love with old Cape Cod

After a sumptuous buffet luncheon, Cape Harmony broke into song, and entertained the audience with beautiful ballads, upbeat music, and lots of personality from the 10 women a cappella group. With the ocean as a backdrop, before each soloist performed, she described her perfect activity at the beach. Their voices blended beautifully and kept the audience in rapt attention.
