

Women's Club of New Seabury

July 2020

During these very trying times, the Board of the Women's Club of New Seabury has been hard at work trying to serve our members and the community at large.

In the following pages you will see some of our activities.

1. Board members got busy making or sewing or purchasing masks that were donated to the Fire and Police of Mashpee, for distribution to those in need of them.
2. Many Board members made phone calls to our members—reaching out, making sure folks were safe, if anyone needed anything, or just a friendly call to let them know the Board was thinking of them.
3. A virtual Bingo night was held on Zoom, and Gail Alexander was the big winner. She will collect her prize when she returns from Florida.

4. A Trivia (virtual) night is being planned.
5. Donations were requested from our members, so that, while we are not holding our annual fundraiser this year, we could still make our contributions to the agencies that provide food to the needy. Checks were presented to the Falmouth Service Center and St. Vincent de Paul Food Pantry in April.

THANK YOU

Our members have open hearts, generous spirits and positive attitudes. Your personal donations enabled us to donate \$6,500.00 to our local food pantries, St. Vincent de Paul and Falmouth Service Center. There will be much to celebrate when we can all come together, and don't we all look forward to that!

Some very creative Board members got to work-- assembling or sewing or purchasing masks. These were all donated to the Mashpee Fire and Police Departments for distribution wherever needed.

On the left, Deb Vaughn, the Women's Club of New Seabury Philanthropy Chairperson, presents a check to Deb Journalist of the Christ the King St Vincent de Paul Food Pantry. And on the right, Deb Vaughn presents a check to Kerin Delaney of the Falmouth Service Center.

This is in keeping with our mission to feed the needy. A sincere thank you to all who contributed to this charitable cause.

2020 SCHOLARSHIP RECIPIENT

The scholarship recipient this year is Caitlin Boyd.

Caitlin will be studying Behavioral Neuroscience at Connecticut College in the Fall. She sent a lovely thank you note to WCNS for her scholarship award.

While we are still in the throes of the pandemic, and people are encouraged to socially distance, we are wondering what our members are doing.....For fun; for silliness; for sanity; for posterity. Let us know what you are doing and send photos. We would love to share with our members.

Send email to jkinnally@comcast.net and we will print them in the next newsletter!

Vice President, Ann Everett, traveled to the Cape Cod Canal on a beautiful day to watch her son pass through the canal on the Lightship Nantucket. If you look really closely, you will see him on the top of the front mast in the crow's nest.

President Susan Finkle, hand sewing face masks.

PLEASE ENJOY A HAPPY AND HEALTHY
INDEPENDENCE DAY!!

FOURTH OF JULY

GET WELL WISHES

LOUISE DIMEO

Members should have received a membership renewal by mail. If not, we have included the following:

We have missed seeing you during these difficult times and hope that you and yours are staying well.

During our time apart, the WCNS Executive Board has been busy with ideas that support our Cape Cod community, including charitable donations of over \$6,500.00 to the food pantries at St. Vincent de Paul and the Falmouth Service Center, as well as donations of face masks to the Mashpee Police and Fire departments. We have contacted members by telephone as a check in, and are offering virtual games such as Bingo and Trivia to get us through our solitary schedules.

These activities occurred under your current July 1, 2019 - June 30, 2020 Women's Club membership. Your current membership also included something to suit all members in 2019: Cape Harmony A Cappella women singers, the WCNS 50th Anniversary Cocktail celebration, "Year By The Sea" author, Joan Anderson, the Cape Chic Fashion Show, "WE CARE" Giving Fair and our Holiday Luncheon with beneficiary presentations.

Our future short term goal is to schedule a small get together of 25 people when it is safe and feasible for all. We will do that on the advice of, and in conjunction with The Club at New Seabury. Long term goals include offering engaging events for our members as soon as possible. Although circumstances necessitated the cancelation of our most popular event, the 2020 Giving Fair, we are hopeful that in November 2021 we will come together for some fun while *fundraising* for others. The needs may be greater than ever. Our members have open hearts, generous spirits and positive attitudes. **YOU** are crucial to the success of the Women's Club of New Seabury.

To continue to support you and our Cape Cod community, we are offering an **extended two year membership** renewal from July 1, 2020 to June 30, 2022 at \$50. Please renew your membership soon by printing the membership form on page 7 and returning to WCNS, PO Box 906, Mashpee, MA 02649.

Together we can continue our 50 year tradition of supporting the community we love so much.

Sincerely,

The WCNS Executive Board
