

Women's Club of New Seabury

March 2020

Dear WCNS Members and Friends,

During this time of upheaval we extend our thoughts to you and yours. Our wish is that you all remain healthy and safe. We are heartened to see the lilies and daffodils sprout, the osprey return, and our friends and neighbors reach out with support. Although we may not be able to contribute as a group right now to our local community non-profit agencies, their needs continue. Please keep them in mind when picking up your own supplies. Monetary donations would be gratefully received as well.

As we receive information from the Mashpee Chamber of Commerce we will send it along. We look forward to scheduling our next get together, when possible.

It will be a wonderful celebration.

With all good and hopeful thoughts,

Susan Finkle , President

MASHPEE CHAMBER OF COMMERCE

The Women's Club of New Seabury is now a member of the Mashpee Chamber of Commerce. From time to time, we will forward any upcoming events in the Mashpee Chamber newsletter that may be of interest to our members.

And especially during this trying time, we will forward any pertinent community information.
