### *Looking Back,.....*

The 2021 "We Care" Giving Fair.....

....was a rousing success! After a postponed event due to Covid 19 and a measured approach to this year, the Women's Club was able to re-vamp with a Carnival event—lots of prizes, raffles, and games that were enjoyed by all.

A total of 115 members and guests participated in the day, and the final tally was over \$20,000 raised for our philanthropy recipients.

**Thank you to all who attended and those who supported our event** even if you could not attend. Much time and effort goes into the planning and execution of a fair, but knowing that there are recipients much in need, it is an effort with many rewards.

To get a great view of this event, your editor highly recommends the great photos when you view the link below and also go to our website ([www.womensclubofnewseabury.com](http://www.womensclubofnewseabury.com))

### **October Luncheon: Focus on Beneficiaries**

Please join us at our October luncheon, where we will hear (via video) from our past five Women's Club of New Seabury Mashpee Scholarship Foundation Trust scholarship recipients. Learning how the proceeds from our annual "Giving Fairs" over the years is truly appreciated by these young women by their accomplishments and vision for the future, we can see the important impact our club members' generosity has on our community at large. This will prove to be a very rewarding experience! Also, we will present checks to this year's recipient organizations.

## Women's Club of New Seabury Book Club

The Women's Club of New Seabury Book Club met on Friday, September 17th to discuss the novel "The Girl with the Louding Voice" by Abi Dare.

There were nine attendees (largest group since inception) at the meeting and the discussion focused on the "strong woman" protagonist in this novel, as well as all the previous novel choices. A lively and heartfelt discussion revealed that our

very own group consisted of strong women in their own right!!!

Please join us for our next meeting!! It doesn't matter if you have read the book, or finished it; our group is a wonderful way to establish a sense of community with other readers and to make new friends!!!
