

Valley Rock Gym Scholarship Program

Our Scholarship Program utilizes financial support from both Valley Rock Gym and community members to provide youth the opportunity to attend our youth programs as well as help cover climbing team fees.

Our Youth Programs aim to create a love of movement, solid climbing skills and enough comfort, community and fun that kids can take on the challenges and joys that climbing (and life!) offers.

For our Youth Programs, participants can be avid climbers, or first timers! All levels are welcome and all equipment is provided.

Please go to valleyrockgym.com to learn more about our programmatic offerings and our youth climbing team!
