We do this by:

- 1) Putting things in place*
- 2) Having the Right People in Place*
- 3) What do you do if you have a concern?*
- 4) Cricket Specific Guidance*

1) Putting things in place: We recognise all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability or disability) have the right to have fun and be protected from harm in a safe environment. We ensure individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children. We provide an environment where the views of children, parents and volunteers are sought and welcomed on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about possible suspected child abuse/neglect, and/or about poor practice) to the Club Safeguarding Officer. We adopt and implement the England and Wales Cricket Board (ECB) “Safe Hands – Cricket’s Policy for Safeguarding Children” We ensure all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation.
