

**P**ee Dee Tank is a leading manufacturer developing innovative solutions to your fuel storage tank needs. We utilize the latest technology, are members of the Steel Tank Institute, (STI), and our extensive offering of above ground tanks are UL listed by Underwriters Laboratories.

We are constantly looking for ways to improve our products and utilize the latest welding technology to insure that our customers receive the highest quality tanks available today.

At Pee Dee Tank we produce tanks ranging from 50 gallons to 25,000 gallons. We offer tanks in both single and double wall configurations, including the Flameshield.

The Flameshield tank complies with the requirements of NFPA 30A Fire Resistant Code, and was tested by the Southwest Research Institute meeting the SWRI 97-04 requirements for complete fire resistance performance.

From square tanks to cylindrical tanks; when you purchase a Pee Dee Tank you are getting over 54 years of manufacturing experience, unmatched customer service, and industry leading delivery times. Our years of experience make a difference in the way we do business and we are proud of our commitment to customer satisfaction.
