Prescription Drug Safety

Prescription Drug Safety is EVERFI's high school prescription drug abuse prevention resource that equips students with the knowledge and tools to make healthy, informed decisions when it comes to prescription medications. Through interactive scenarios and self-guided activities, students learn the science behind prescription drugs, how to properly use and dispose of them, and how to successfully step in when faced with a situation involving misuse.

Grades 9+ Class Code: **1ded0116**

Time: 30-45 Minutes

STANDARDS: National Health Education Standards (NHES)

Financial Literacy for High School

EVERFI Financial Literacy for High School is a digital education program that teaches students how to make wise financial decisions to promote financial well-being over their lifetime. The interactive lessons will translate complex financial concepts and help students develop actionable strategies for managing their finances. Immersed in an updated and modern illustrative design and new, interactive digital activities, students will learn the different ways to acquire income, develop a savings and investing plan, create a budget, track expenses, make informed purchases, monitor and protect their money, and navigate financial institutions and financial products.

Alcohol Edu

Alcohol misuse doesn't just put students at risk; it threatens the ability of schools to achieve their educational objectives. Alcohol Edu is a high school alcohol prevention program that takes a public health approach to alcohol abuse prevention. It incorporates evidence-based prevention methods to create a highly engaging user experience.

Grades 9+ Class Code: **53765748** Time: 2-3 hrs.

STANDARDS: AlcoholEdu® for High School aligns to the National Health Education Standards.

NFTE Venture – Entrepreneurial Expedition™

Entrepreneurial thinking is a critical skill for the careers of the future. By 2020, at least 40% of America's workforce will be entrepreneurs, freelancers or contractors, and 54% of Millennials either want to start a business or have already done so. Venture - Entrepreneurial Expedition uses case studies, interactive business simulations, and personal development activities to teach students how to think entrepreneurially in business and in life.
