 - Mile 43.4 Stevens Creek (L)
- Mile 42 Lock and dam #3, future portage site, restricted area use caution.

Brief description of pool

Pool 3 is a 23 mile paddle with a few natural beaches, many nature preserves and parks and beautiful views. The rock cliffs are spectacular. The Tree lined river is home to a host of wildlife. It is still very remote undeveloped and a real getaway adventure.

Always take out more trash than you bring in! Practice good stewardship!
