- Mile 97.3 Oregon Road Boat Ramp
- Mile 96.2 Lock and Dam 6*, Use Extreme Caution! Future Portage with Access will also be on the (R)

### Brief Description of Pool
Pool 6 is a 20.8 mile paddle with a few natural beaches, many nature preserves and parks and beautiful views. The rock cliffs are spectacular. The tree lined river is home to a host of wildlife. And the Palisades offer great habitat for bird colonies and bats. It is still very remote undeveloped and a real getaway adventure.

Always take out more trash than you bring in! Practice good stewardship!
