

OUR NEEDS

The Ark is a 501(c)(3), nonprofit ministry. We are funded primarily through the sales of our thrift stores and the generosity of donors. We are seeking to partner with churches, businesses, organizations and individuals to support the current ministries and expand our ministries to help more people.

Please contact us if you would like to be involved. Your generosity will help us achieve our mission to help those in need. Together, we can make a difference!

OUR LOCATIONS

Our main campus is located in downtown Dothan and houses our men's program, food programs and administrative offices.

We have two thrift store locations. The first is located directly behind our main campus and the second is located on the south side of Ross Clark Circle.

OUR MISSION

The Ark is a place of hope, healing and help. Our mission is to nurture the total needs of humanity--mind, body and soul. Our commitment is to guide individuals so that they can discover their God-given purpose and live out that very purpose.

“A Place of Safety During the Storms of Life”

The people at the Ark work hard to meet the needs of the community. We have several ministries including a transformational program for both men and women, a food program to assist the hungry and thrift stores to provide affordable necessities to the community.

TRANSFORMATIONAL PROGRAM

The transformational program is a 12 month residency for men and women seeking to overcome homelessness, addiction and/or achieve a successful transition from prison.

We strive to instill independence, self-sufficiency and purpose. Throughout this program our residents transform their lives. They are given the tools to overcome their obstacles to become better spouses, parents, friends, sons, daughters and neighbors. Upon conclusion of our program, the goal is for every individual to have faith, self-confidence, freedom from addiction, employment and education.

FOOD PROGRAM

Our sack lunch program is available daily for anyone in need of a meal. We provide more than 12,000 sack meals annually.

Our food bank has distributed more than \$2 million worth of food to those in need since opening its doors in 2000. The food program continues to grow to meet the needs of the community. We feed 3,000 families in the Wiregrass each year with the help of volunteers and the generosity of donors.

THRIFT STORE

The Ark Thrift Stores sell quality clothing, shoes, furniture, appliances and more at affordable prices. Our programs are funded through the sales of our thrift stores.
