## **MORE ABOUT OUR MINISTRY:**

- As part of our extensive residential program, we assist our men and women in obtaining all the tools necessary to lead a meaningful, Christ-centered, independent life. This includes getting their GED, pursuing college/technical training, obtaining their driver's license/insurance/any other necessary documentation. We provide counseling services, financial education, resume training and job placement.
- Our food bank provides thousands of families with boxes of food annually at no cost to them.
- Our sack lunch program gives out 12,000+ meals each year to anyone who walks through our door in need.
