COMMUNITY CATS – SPAY/NEUTER PROGRAM

Donate to support the program:

Please help us spay and neuter our feral and community cat population in Gem County. A link to this fundraiser can be found on our website:

petadoptionleagueofgc.com or on our Facebook page. A local vet is giving us a discounted price to help our spay/neuter efforts, but we still need your support to continue this good work!

To use the program:

We are issuing vouchers for \$20. This is **your** cost for the spay or neuter procedure. Purchase your voucher at PAL – Pet Adoption League. You must use Animal Medical Center in Emmett for the procedure. There are no plans to include dogs in this program. The vouchers are for Gem County Residents only. Thanks!
