

PAL Dog Day Out Manual

WELCOME!

First and foremost, THANK YOU for gifting your time to our shelter dogs! By taking them out for just a few hours a day, our temporary residents can exert pent up energy as well as be mentally stimulated to new experiences and people! As a result of a dog day out, our dogs are less anxious or exuberant when they meet potential adopters and they gain useful life skills that they wouldn't get from just sitting and waiting in the shelter. Another added bonus is that people who are not likely to come into shelters are still able to see our available animals!

Before You Pick Up the PAL dog

1. Be prepared for anything. Remember, we don't know what many of these dogs have been through. We don't know their past, we don't know how they have been treated, we don't know how their living situation once was, and most importantly, we don't know their true personality. All we do know is what we see here at our facility and what little (if any) information their previous caretaker provided. We try our very best to match you with a dog that we think will do well with you, but the PAL dog may have a very different personality once they are comfortable.

2. **Remember that the dog must always be under the control of an adult over the age of 18.** While we welcome family outings, the leash must always be held by an adult and **dogs and children should never be left unsupervised.**

3. Ready your car with the appropriate amount of space for the dog. Depending on the dog, you may need enough space for a size appropriate crate, a friend to help contain the dog to the back seat, or a barrier to avoid the dog from getting to the driver and passenger's seat.

4. **Please plan to leave your own dog at home!** The goal is to give the dog a break from the shelter and some one-on-one time with humans. Although most of our shelter dogs do well with other dogs and enjoy doggie playtime, we prefer these field trips be geared towards interacting with humans and not with other dogs. **Maintain a 20 foot distance from other dogs while out in public.** *PAL is not liable for the treatment or cost of vet bills incurred for your own pets at your private veterinarian.*

5. If you plan to take the PAL dog home, please check your fence line and property for holes, loose planks, poisonous plants, foxtails/cheatgrass, and dangerous household items. Even if you have/had a dog that has never gotten loose, please don't assume that your property is secure. We don't know the history of most of the dogs we place and the majority of them were strays.

PAL will provide you with a leash, collar, ID/foster tag, poop bags, travel water bottle, crate if needed, and some business cards!

IF the PAL dog GETS LOOSE:

Sometimes despite our best intentions, a dog will get loose. Please try not to panic. If you can see the dog, try calling them. Some of our more social guests may come right to you, but very often even social dogs get frightened once they get loose. You may be more successful calling them to get their attention and then walking the opposite direction, kneeling down and digging in the dirt like you've just found something extremely interesting. Reaching for a scared dog will often cause them to bolt and can also result in a bite, so please use caution and only reach for the dog if you feel you can safely do so. If the dog is in an area that is secured but is so scared that they are growling at you, please call us so that we can help! If the dog is already in a flat out run and is panicked, they may not respond to you at all. Please try following them from a distance so that you can see the direction they are going and hopefully catch up to them once they have slowed down. If they enter a yard, garage, etc., please secure the area to make sure they can't bolt again before attempting to lure them to you. We understand that every circumstance is different and that luring the PAL dog to you may not be possible, please call us if this is the case!

IF A BITE OCCURS:

If the dog bites anyone (you included) we need to know right away. If the dog bites a stranger, please take all of their information so that we can contact them to fill out the appropriate paperwork. We will need you to document what happened and the location and severity of the wound. We are required by law to report any bites that break skin to the appropriate animal control agency. **We will also need to follow state laws for quarantine.** A bite is not an automatic reason for euthanasia, so please do not hesitate reporting it. If you are seeing any signs of aggression, even if it is very minor, please contact us immediately.

IF SOMEONE IS INTERESTED IN ADOPTING

If you encounter someone who is interested in adopting the PAL dog, please give them the dog's business card so that they may follow up with us. You can also direct them to your coordinator. In general, the **adoption fee for adult dogs is \$180** and includes **vaccinations, spay/neuter, and a microchip**. The majority of our adoptions occur as a result of the dogs being seen on our website. It is important that we get adorable photos, and if possible a great video of the PAL dog. Please share these at palofgc@gmail.com. We need your help to make sure the PAL dog is seen as much as possible!

I assume the risks and accept personal liability for any damages that might occur as a result of my volunteer activities. I HEREBY IRREVOCABLY RELEASE PAL, AND (2) ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, AND VOLUNTEERS (collectively referred to as "Released Parties") FROM ANY AND ALL CLAIMS I MAY HAVE, OR WHICH MAY HEREAFTER ACCRUE TO ME, AGAINST RELEASED PARTIES FOR PERSONAL INJURY, INCLUDING DEATH, AND ALL PROPERTY DAMAGE OR LOSS, ARISING OUT OF MY VOLUNTEER ACTIVITY WITH PAL.

I hereby agree to indemnify, defend and hold the Released Parties harmless from any and all liability, losses, damages, judgments, or expenses, including attorneys' fees, that the Released Parties may sustain in connection with any third party claims that arise out of my volunteer activities, whether such volunteer activities occur on PAL's premises, at my home, or elsewhere.

I UNDERSTAND THAT PAL DOES NOT ASSUME ANY RESPONSIBILITY FOR OR OBLIGATION TO PROVIDE FINANCIAL ASSISTANCE OR OTHER ASSISTANCE, INCLUDING BUT NOT LIMITED TO MEDICAL, HEALTH, OR DISABILITY INSURANCE OF ANY NATURE IN THE EVENT OF MY INJURY, ILLNESS, OR DEATH, OR DAMAGE TO OR LOSS OF MY PROPERTY. I UNDERSTAND THAT PAL DOES NOT PROVIDE WORKERS COMPENSATION INSURANCE FOR VOLUNTEERS. AND HEREBY EXPRESSLY WAIVER ANY CLAIM FOR COMPENSATION OR LIABILITY ON THE PART OF PAL IN THE EVENT OF ANY INJURY OR MEDICAL EXPENSE.

I agree that if I volunteer to transport any PAL animal(s) in my personal vehicle for any purpose, I will 1) maintain at least the state-required minimum amounts of automobile insurance on the vehicle, and 2) release, indemnify and hold the Released Parties harmless from any claims arising from and/or related in any way to such animal's presence in my vehicle.

I acknowledge and understand that I am a volunteer of PAL. I am not eligible for PAL's Workers' Compensation or any other type of compensation or employee benefit in connection with my volunteer activities.

By using the PAL tags or the #dogdayout hashtag in the images and other content I post on my social media accounts related to my volunteer activities, I hereby grant PAL a non-exclusive, fully paid, worldwide, perpetual license to use, modify, publicly perform, publicly display, and reproduce my photographs, name, and likeness solely for marketing

and promotional purposes.

I certify that I am 18 years of age or older. I have received and read PAL's current version of the dog day out Manual and agree to abide by its requirements and guidelines. Further, I specifically agree to the following:

1. To care for and treat humanely any dog given to me.
2. To keep the dog on leash unless confined in my home or securely fenced yard.
3. To use reasonable care to ensure the safety and well-being of the dog in my care, the safety of other dogs, and the people the dog comes into contact with.
4. To contact PAL if the dog exhibits symptoms that indicate a serious condition. Please see PAL's dog day out Manual for examples of potential emergencies.
5. To keep the dog under my direct supervision at all times during the volunteer activity.
