About the Author

Jennifer Geiger, the author of “Witness” and its companion workbook was born in Kansas, and as a result of her father’s job transfer, moved to Ohio during her elementary years. She now lives in Blacklick Ohio with her husband, Jim. Married over thirty years, she is the mother of three grown daughters with eight grandchildren, and two great grandchildren. She is active in her church where she is involved in several ministries.

As a child, Jennifer was considered a storyteller, a habit that continued after she married and had children of her own. She claims there’s something intriguing about inter-winding words and watch as they paint a picture in the minds of the listener. She was often challenged to write out her stories for others to enjoy; as a result, she penned “Witness,” a captivating and convicting book that shares keystone moments of Jesus’ life, ministry and triumph over death. Her accompanying eight-session study workbook, complete with videos, takes you deeper into the life that was sacrificed for all.

About Witness

"Witness" is a love letter written during the later years of the apostle John. He writes to the beloved giving his perspective on life with Jesus through the eyes of the disciple Jesus loved. Written as a stand-alone book, it can also be utilized when using its accompanying eight-session study guide designed to challenge the audience to dig deeper into the messages of prophecy arrayed throughout scripture.

The book begins prior to the birth of John and walks you through the events experienced by his father, Zebedee, and older brother, James as they are shepherds in the vicinity of Bethlehem where they encounter angels announcing the birth of the Messiah. However, because of the horrific event that took place in Bethlehem in the two years following Jesus' birth, Zebedee moves his family north to the region of Galilee where John is born.

From there, you'll walk with John as he grows to manhood and see how his life is altered forever as he joins forces with the King of kings and Lord of lords. You'll read of his adventures, experience eyewitness accounts and share his joy and his peace . . . and come away knowing Jesus in a way you have never known before. Come . . . "walk with John."

Sample Chapter

"Placing his hand on the man's head, Jesus commanded, "Come out of this man you evil spirit!"

The man shrank back a little at Jesus' words, looked up again into his eyes and the words tumbling out of his mouth were, "swear to God you won't torture me!"

With mixed emotions, I watched this scene; I felt fear, uncertainty, and even a little cowardice. Jesus was standing; the man, strong enough to tear a person apart with his bare hands, was on his knees reaching out. The strength of the man showed in the bulk of his arms and in the muscles of his legs, yet there he was . . . kneeling at the feet of Jesus. That's when I heard Jesus ask, "What is your name?"

EXCELLENT BIBLE STUDY RESOURCE!

In “Witness”, Jennifer Geiger simplifies John's original gospel. She allows the reader to see the life and message of Jesus Christ through the eyes of His cousin. As John progresses in his understanding, as a student, servant, apostle, and prophet, our understanding also expands and deepens. We see the adulation as well as martyrdom of Christ, the Messiah and are horrified at the crucifixion and dumfounded by the resurrection of our Lord. We are left alone to carry on and are comforted by one last visit by our friend. Through John's eyes we see our fellow apostles endure and die for the “Way” and watch as John is exiled where he receives the promise of a future Kingdom. “Witness” is designed to be used with an accompanying Bible guide and will be an excellent resource for your own personal study or group.
