#### SERVICE LINE INVENTORY SURVEY

As part of new regulations passed down from the Environmental Protection Agency (EPA), all public water utilities must inventory service lines in the water system before October 2024. Residents can help by doing a self-inventory and reporting back to the County what material service line is in their home. It's very simple and only takes a few moments of your time. Please scan the QR code to complete the survey.

### Employment Opportunities

#### OPEN POSITIONS:

For more information or how to apply, please visit our website [www.ugoccc.com](http://www.ugoccc.com) and click on the job openings tab or contact the Board of Commissioners office at (706) 989-3602 Ext #1.

### MENTAL HEALTH AWARENESS

As of July 16, 2022 anyone experiencing a mental health crisis can simply call or text the numbers 9-8-8 to be connected with the Suicide and Crisis lifeline. This lifeline is designed to be as quick and easy to remember and use as 9-1-1, but instead of a dispatcher sending police, firefighters or paramedics, 9-8-8 will connect callers with trained mental health professionals. The 9-8-8 Suicide and Crisis Lifeline is a national network of local crisis centers that provides FREE and CONFIDENTIAL emotional support to people in suicidal crisis or emotional distress 24/7 in the United States. If you or someone you know is struggling, call or text 9-8-8 to be connected with help and support. Mental Health Matters and so do \*YOU\*!
