

# PLANNING AND ZONING COMMISSION VACANCIES

Are you passionate about guiding your community's growth and development? Serving on the Planning and Zoning (P&Z) Board is a unique opportunity to help shape the future of Cusseta-Chattoohchee County.

The Planning and Zoning Board plays an important role in reviewing zoning matters, including rezoning requests, variances, and land use proposals, and providing recommendations to the Board of Commissioners. These recommendations help guide decisions that impact the growth and development of our community.

The Unified Government of Cusseta-Chattoohchee County is currently seeking applicants to fill two voluntary Planning and Zoning Board positions. One position will be filled immediately, and the second position will be filled effective January 1, 2027.
