Job Posting 05-2026

If you are motivated, looking for a challenge, and possess the skills and ability to step in and make a difference, we want to hear from you. You will be required to complete Local and National Background Checks.

Position Title: Plumber

<u>Shop/Department:</u> 514	<u>Pay Rate:</u> \$32.23
<u>Open Date:</u> 01/27/2026	<u>Close Date:</u> 02/04/2026
<u>Position Type:</u> Full Time	<u>Schedule:</u> 8:00 AM – 4:30 PM

Job Duties (may include but not limited to):

The Plumber assembles, installs and repairs pipes, fittings and fixtures of heating, water, and drainage systems, according to specifications and plumbing codes, studies building plans and working drawings to determine work aids required, and sequence of installations. This worker inspects structure to ascertain obstructions to be avoided to prevent weakening of structure resulting from installation of pipe, and locates and marks position of pipe and pipe connections and passage holes for pipes in walls and floors.

This worker cuts openings in walls and floors to accommodate pipe and pipe fittings, using hand tools and power tools, cuts and threads pipe, using pipe cutters, cutting torch, and pipe-threading machine, bends pipe to required angle by use of pipe-bending machine, or by placing pipe over block and bending it by hand. The Plumber, Maintenance assembles and installs valves, pipefittings, and pipes composed of metals, such as iron, steel, brass and lead, and nonmetals, such as glass, vitrified clay, and plastic. This person joins pipe by use of screws, bolts, fittings, solder, plastic solvent, and caulk joints, fills pipe system with water or air and reads pressure gauges to determine whether system is leaking, installs and repairs plumbing fixtures, such as sinks, commodes, bathtubs, water heaters, hot water tanks, garbage disposal units, dishwashers, and water softeners. This person repairs and maintains plumbing by replacing washers in leaky faucets, mending burst pipes, and opening clogged drains, and may weld holding fixtures to steel structural members.

Qualifications:

The experience described in your resume will be evaluated and screened for basic qualification requirements, and the skills needed to perform the duties of this position. You will be required to complete a Local and National Background Check.

How to Apply:

To be considered your Employment Application and Resume must be received by close of business on the closing date of this announcement. Failure to provide complete information may result in your not receiving consideration for this position. Resumes will be evaluated for basic qualifications requirements and for the skills needed to perform the duties of the position, as described in this vacancy announcement.

I have read the above job description and hereby verify that I can perform the duties of this job with or without accommodation. TIYA Application with updated resume and signature below must be received by close of business on the closing date of the announcement.

Printed Name: _____
