RESIDENTIAL DRIVEWAY PERMIT APPLICATION

I, _____, of _____
Name of applicant P.O.Box and address
_____ request permission to construct a residential driveway on a county
Phone Number
road inside Cusseta-Chattahoochee County. The driveway is to be constructed on the _____ side
of _____ St. (Rd.) at a point _____ ft. _____
Street or Road and House number, if available NSEW
of the centerline of the intersection with _____ St. (Rd.)
nearest Street or Road

By signing this request, I agree to construct or have constructed this driveway as described below by a licensed contractor. I also agree that I will be responsible for the maintenance of this driveway including pipe, surface course, and slopes.

DATE: _____ SIGNATURE: _____

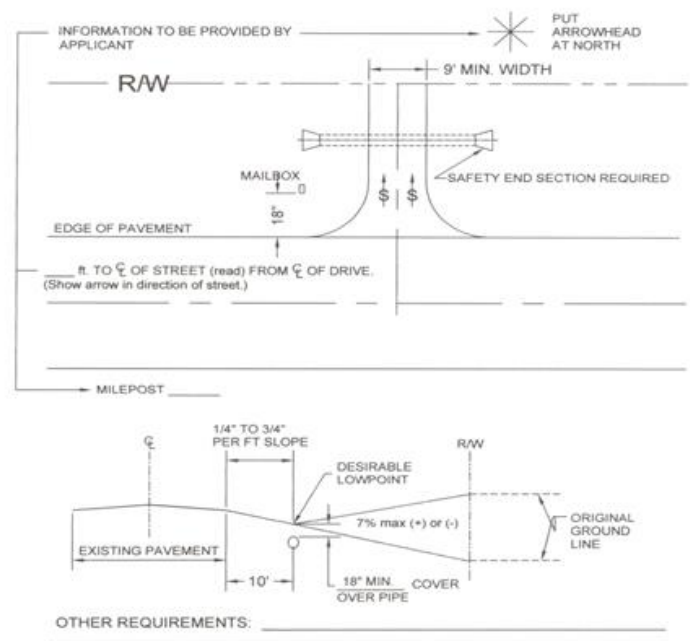

**** Above information is to be provided by the owner prior to issuance. ****

This drive to serve a commercial business only and may not be converted to any other use without approval of the UGOCCC.

SPECIAL REQUIREMENTS

1. Extend pipe as necessary to obtain a 4:1 or flatter slope.
2. The pipe shall be GA DOT High density polyurethane or GADOT reinforced concrete pipe. The diameter shall be determined by water calculations per the design engineer. Minimum diameter shall be 18", or approved by the Director of Public Works. Length of pipe shall be determined by depth of ditch and slopes, as per design engineer.
3. Existing surface flow to remain. Water cannot be diverted to UGOCCC right-of-way.
4. No headwalls to be constructed on pipe. Safety End Sections required as a minimum.
5. No brick or other hazardous mailbox supports allowed on right-of-way. (mailbox shall be located on exit side)
6. All disturbed right-of-way to be regrassed to DOT specifications.
7. Driveway must be stabilized with 4" of concrete 3000psi or 2" of GADOT approved Asphalt Type E.
8. The permit poster must be displayed at the site in plain view until work is inspected and accepted by UGOCCC.
9. All work to be completed in 30 days for Mobile Homes. For Site Built Homes all work to be completed within 30 days after the completion of the home. Applicant to give Public Works Department 24 hours notice before work begins.
10. Advance warning signs shall be required while working on UGOCCC right-of-way
11. Construction exits are to be installed prior to issuance of the Building permit.
