

- Do you love working outside?
- Are you comfortable in high-adrenaline/emergency-response environments?
- Do you thrive as a part of a team? Are you self-directed and able to make decisions on your own?
- Are you adaptable, flexible and committed to public service?

If so, you may have a career ahead of you in wildland firefighting!

Georgia Forestry Commission's elite workforce is focused on conserving and protecting Georgia's forest resources. Our highly trained wildland firefighters enjoy a dynamic work environment, become experts in the field of wildland fire suppression/prevention, and become part of a unique, all-hazard response state agency.

Apply today to see if you have what it takes at [gatrees.org](http://gatrees.org).

Must have a commercial learner's permit (CLP) prior to hire date and the ability to obtain a CDL within 12 weeks.

**If you advance in the selection process, you will be contacted and invited to tour the unit.**

This position will work out of GA Forestry Commission's Marion County office located in Buena Vista, GA.

For more information, call 229-649-2289 or visit [gatrees.org](http://gatrees.org)
