

Self-Service PRODUCT

ITI's Self-Service Terminal (SST) product is easy to use, fast, offers more convenience, and allows customers to renew and walk away with printed registrations. Kiosks can process both motor vehicle registrations and driver services transactions. Reduce customer wait times and lines in offices.

NO UPFRONT COST

Only successful transactions charged. Save millions upfront, pay through the contract term.

ON-DEMAND

Customers leave with printed registration & decal in hand. Average transaction time around 2 minutes.

ALWAYS AVAILABLE

ITI provides 24/7 on-site and call center support. Meet customers where they are by placing in 24/7 third-party locations.
