

## **GARBAGE**

Garbage pick-up is a growing concern in our community and in surrounding communities.

We are hearing reports that this is due to the garbage haulers having a shortage of workers and that many of the companies are transitioning to new ownership by GFL.

The Town of Lincoln does not have any contracts with any garbage haulers currently. We are looking to see what our options are and hoping this issue can be resolved soon.

Please contact your service provider (or GFL) directly with questions about your service.
