

## **Las Arenas . 30 Dune Road . Bethany Beach . Delaware**

### **General House Information**

**WiFi Network Name: Las Arenas**

**WiFi password: Summer 2021**

**No pets allowed**

**No smoking allowed**

**Samsung smart TV is provided in each room. YouTube.tv is available for local and cable channels. You can also log into your Apps as desired. See the Bedroom\_TV info for detailed instructions.**

**Kitchen sinks with garbage disposal contain a garbage disposal strainer and stopper. This stopper keeps unwanted items from going down the disposal (ie. silverware).**

**Water and small items will continue to go into the disposal. If larger food particles need to go down the sink, simply lift up the stopper and push the items into the disposal and put the stopper back.**

**Dish rack is extendable. See section below.**

**The toaster is plugged into the outlet to the right of the kitchen window and sink. The toaster oven is plugged into the outlet underneath the right corner cabinet. Please keep these items plugged in these locations. The 2 outlets are on different circuits. If you move the toaster closer to the toaster oven and plug into the same outlet, the breaker will trip.**

**A Vietnamese broom is available in the pantry. Best broom ever. Click on the picture of the broom to see a demonstration of how to use the broom.**

**There is a Prepared Hero fire blanket hanging on the side of the cabinet to the right of the stove. In case of fire, take the blanket and cover the fire to put out the flames.**

**There are extra light bulbs on the top shelf of the pantry.**

**Enjoy your stay!**
