The Rockwell City Fire Department is hosting their **8th Annual Hometown Heroes Memorial Ride.**

The ride is held to honor fallen police officers Jamie Buenting and Justin Martin and firefighter Nick Hildreth.

All three of these men were courageous, dependable and honorable public servants.

Come help us keep Jamie, Nick and Justin's memories alive by joining us in spending time together, sharing stories and remembering these true Hometown Heroes.

Proceeds from the ride will go to the **Hometown Heroes Memorial Scholarship fund & other community projects.**
