The Hometown Heroes Memorial Ride committee is hosting their 1st golf tournament. Our mission is to honor fallen police officers Jamie Buenting and Justin Martin and firefighter Nick Hildreth.

All three of these men were courageous, dependable and honorable public servants from Rockwell City.

Come help us keep Jamie, Nick and Justin's memories alive by joining us in spending time together, sharing stories and remembering these true Hometown Heroes.

Proceeds from the tournament will go to the Hometown Heroes Memorial Scholarship fund & other community projects.
