BLACKRIDGE PARISH CHURCH

Dear Community,

We are delighted to share some wonderful news with you in 2026 our village church will be celebrating its 125th anniversary!

The decision to build a church in Blackridge was taken in Armadale Church Manse in February 1899. To build the church, the cost was £1,150; the congregation chipped in £100, and Lady Baillie picked up the remainder of £1,050. The church was dedicated on 27th October 1901.

This is a very special milestone for our community, and we would love for everyone to be part of it. To mark the occasion, we will be holding a series of events each month from January through to October 2026, celebrating not only our church's history but also the life and spirit of our village.

More details of the individual events will be shared in the coming months, but in the meantime, we warmly invite anyone who would like to get involved, whether by helping organise, lending a hand at an event, sharing memories, or simply supporting us in any way you can.

This is a celebration for the whole community, and we look forward to making it a truly memorable year together.

If you would like to help or have ideas to share, please do get in touch with us. Email: blackridgeparishchurch@outlook.com

With thanks and best wishes,

10TH ANNIVERSARY BONFIRE NIGHT

Audrey Boyd would like to extend heartfelt thanks to everyone who helped make the 10th Anniversary of our village Bonfire Night such a special occasion.

A big thank you to:

- **L & H Leisure and Shuggie Naismith for providing fantastic entertainment and disco.**
- **Fire Marshal Stuart Queen, for overseeing a spectacular firework display.**
- **Katz Kandy for the amazing raffle hampers.**

Congratulations to our raffle winners: Liz Russell and Lorraine Henney

We are also deeply grateful to the **First Responders** for giving up their time to keep everyone safe, and to **Foundation Scotland**, whose generous grants make events like this possible.

Most importantly, thank you to everyone who came along to support the event. Your presence makes all the hard work worthwhile. It was wonderful to see our community – and friends from beyond – come together for such a fantastic turnout.

Total raised from the raffle and donation tins: £443.70

REMEMBERING TOGETHER – BLACKRIDGE WAR MEMORIAL

Did you know our War Memorial is inside the Church?

Within Blackridge Parish Church, in the quiet beauty of the chancel, you'll find our village's War Memorial. The names of those who gave their lives are also lovingly honoured and, their memory illuminated by the stained-glass windows within the church itself.

This year's remembrance service brought together the creativity of our primary school children and villagers to create a beautiful display. Each poppy and animal has been lovingly made to honour the courage, sacrifice, and spirit of those who served and to remind us that remembrance belongs to every generation.

You will be made most welcome to visit and reflect whenever the church is open. Whether you pause for a moment or linger in thought, this is a place for our whole community to remember with gratitude.

Let us keep their light shining.

Every Wednesday and Friday our **Tutti Tots** Pre-School music lessons meet at 10.20am at the Craig Inn. Our numbers remain healthy with the addition of some new brothers and sisters along the way! Parents and grandparents attending the class stay afterwards to enjoy a tea, coffee and a chat whilst the children take part in supervised free play. We remain encouraged to see the way in which they continue to build friendships with other children in the class, as well as develop their musical awareness and abilities. We have now experienced the progression of children moving from our nursery class going on to join our primary school age class.

Every two weeks, **Toots & Taps**, our primary school age music class, meets in the Craig Inn library. The nine children that attend the class enjoy learning to play tin whistle, drums and piano. The Toots & Taps class gave a fabulous performance at this year's Management Committee AGM in May where they performed a Sea Shanty and an intricate rhythm exercise to the delight of their audience. The class played two pieces of music with the Bathgate Concert Orchestra in October, including "March from Carmen" and "La Rejouissance" from the Royal Fireworks, during their rehearsal at the Craig Inn. Together, the two groups put on a fantastic show for friends and family who had come to support this endeavour.

Every year, the Tutti Music project organises popular fundraising events like a Turtle Derby and Family Ceilidh. We are appreciative of all the help we get from friends, family and the Craig Inn Management Committee.

PEATLAND RESTORATION AT BLAWHORN MOSS

Blawhorn Moss NNR is the midst of a substantial project of peatland restoration which started in September and finishes in December. The project is being run by Peatland Action through the Peatland Action programme.

It is recognised that restoring peatlands is one of the most effective ways of locking in carbon and therefore helping with the climate crisis. The work on Blawhorn will repair degraded parts of the bog and re-vegetate peat hags, dam drainage ditches and use specific techniques to increase the water level on the moss to promote the growth of sphagnum moss which will eventually form peat.

The work is being funded by the Scottish Government with the work being carried out by OpenSpace who are a specialist Ecological Consultancy and Conservation Contractor.

Unfortunately during the work on one part of the moss it will be necessary to close one of the paths for safety reasons. The path concerned is the one marked red on the map displayed in the car park and notices will be displayed when this closure is in force.

IT'S BEEN A RUBBISH SUMMER !!!

Unfortunately, the title has nothing to do with the weather we have had over the summer and more to do with litter and fly-tipping around the village.

Our village, like many others, suffers from littering and fly-tipping with hot spots such as Blawhorn Moss entry road and the railway bridge on Quarry Road being particular favourites for accessing by a vehicle.

People work hard to keep the village clean and tidy with special thanks to the Scout groups and West Lothian Litter Pickers who travel around in their own time clearing up peoples' discarded litter.

So what can you do?

- take rubbish home with you • teach children about littering
- make sure your bins don't blow over during storms
- put cigarette ends safely in bins
- take rubbish to re-cycling centres
- safely report fly-tippers

If you witness people fly-tipping, do not approach them simply take a note of the vehicle and **report to West Lothian council** on **01506 280000** or **scan qr code** and fill in form.

Time Out Art Group recently held an Open Day to showcase their work and celebrate their 26th year.

Thanks to everyone who came along with special thanks to Blackridge Community Fund, administered by Foundation Scotland, who provide our funding.

We also enjoyed a Halloween themed buffet catered by Taste Buds in Armadale and are now looking forward to the Christmas Lunch.

A special thanks to our guest speakers and musicians for entertaining us again this year. In particular to Susan Hentges from the Food Train, who talked about the services they provide. Thanks also to Angela Wagstaff who gave us a First Aid demonstration on resuscitation and choking for all age groups and how to use a defibrillator. We are all hoping we never need to use our new skills!

Apart from eating, we continue to play our board games and have our tea and, of course, biscuits!

ARMADALE & BLACKRIDGE CAMERA CLUB

Beechbrae

Beechbrae News - Ally Graham

The autumn leaf colours were really stunning this year at Beechbrae. Vivid yellows and oranges which have now mostly fallen to the ground with the snow and ice in November. Winter is here and with it brings a stillness and different kind of beauty.

Summer Activities

We had really great summer activities this year at Beechbrae, exploring moths on site & at Blawhorn Moss as well as the usual bushcraft fun. We also had fun with the P5 class from Blackridge Primary School up at Blawhorn Moss in May, exploring the depth of peat and various habitats that our local bog holds.

Winter Activities

We've started to clear out some of the smaller ponds of vegetation in the wetland to prepare for various amphibians in the spring. This is something we'll continue to chip away at this winter when the weather allows. We're still carrying on with our various outdoor programmes throughout the week, wrapping up warm and keeping moving.

BLACKRIDGE PRIMARY AND EARLY LEARNING CENTRE

It has been a busy few months for all at Blackridge Primary and ELC. Our senior pupils have visited Edinburgh as part of their learning on the history of our capital and Primary 1-3 have had an exciting morning wearing their PJs to school to celebrate Scottish Book Week and have their Book Bags gifted in a special bedtime read.

Our ELC team were delighted to be asked to present at the West Lothian Early Years' Conference, sharing their practice on Inclusive Learning Environments. This has sparked lots of interest from other settings who are keen to visit Blackridge ELC and see the fantastic environments for themselves. Some great news and testament to the hard work of the staff team.

Furthermore, we were very fortunate to receive funding from the James Wood Bequest. This funding has been put towards the creation of a Sensory Room within our school community. Recently, Cllr McGuire and Cllr Manion visited to officially open the space, with our P7 learners leading this celebration. It was a wonderful afternoon and we are delighted at the impact this space is having on so many of our learners already.

As Christmas approaches, we have lots planned across the school and ELC. We have a special Carol Concert for our families planned as well as parties and celebrations. In addition, our Parent Council will host their Christmas Fair in the school on Friday 12th December 12.00 - 2.00pm. It would be great to have as many attend this event as possible as it raises valuable funds for our whole school community that support towards things including the annual stationary packs provided for each learner and P1 welcome packs which include learners' first Blackridge PS jumper.

Everyone at Blackridge Primary & ELC would like to wish the Blackridge Community a safe and peaceful festive period and best wishes for 2026.

BATHGATE CONCERT ORCHESTRA

Founded in 1952, Bathgate Concert Orchestra is a happy mix of 30 amateur and professional musicians, playing a wide variety of orchestral music to suit all tastes — from symphonies to soundtracks, musicals to minimalism. New members are always welcome to join on Friday evenings from 7.30pm - 9.30pm in the Craig Inn Centre.

October was a busy and enjoyable month with several great events, making lots of music together, and finishing the month on a real high. Here's a quick look back at what's coming next as we head into the festive season.

We started October with our Tutti Music Night, a great evening of community music-making. (Read all about on page 5).

CANDLELIGHT CONCERT

Our Candlelight Concert was another highlight of the month. The warm glow of candlelight created a lovely atmosphere for an evening of beautiful music. We were delighted to feature three outstanding soloists: our Leader, Aileen Lowden, Vice President Alison Pinkerton, and Conductor Steven Meikle. Each delivered a captivating performance, demonstrating exceptional skill and musicality. It was a pleasure to see them perform and share their talent with the audience.

AUTUMN CONCERT

We rounded off October with our Autumn Concert, held at Brucefield Parish Church in Whitburn on Friday 24th October. The evening was full of great music and a wonderful, appreciative audience, making it a truly memorable event. The concert was a great success, showcasing the orchestra's work from August until October.

A huge thank you to everyone who helped, performed and came along and supported the events. They were special nights for both the audience and the orchestra. With one audience member commenting, ***"A fantastic evening of music, the orchestra just keeps getting better and better."***

UPCOMING FESTIVE CONCERTS

We are looking ahead to our Christmas concerts,
and we can't wait to share some festive music with you!
