

# Parent Volunteers Needed

We are glad your child will be joining us at Indian Run Preschool. Every year we have many families ask how they can get involved at Preschool. This year I am still in need of help in the following areas. Please consider volunteering at Indian Run Preschool. Complete this paper and return it to school as soon as possible or stop by the office and speak with Sue or Stephanie.

**Hall Monitor:** We need one hall monitor on Thursdays and one on Fridays (in both the AM and PM) to help with the drop off service. All you need to do is come to school about 5 minutes early and make sure all the children make it to their classroom safely. The job only takes about 15-20 minutes each day.

**Laundry Helper:** We use wash clothes at preschool to dry our hands after washing in the bathrooms, as we are trying to not waste so many paper towels. With each hand wash using a clean wash cloth, we build up quite a bit of laundry. We could use volunteers to come in and fold wash clothes. This could be a 20 minute task once a week for a few parents.

**Scholastic Flier Helper:** Assemble the monthly fliers to be sent home to families. *This job can be done at home.*

**Photo Day Helpers:** Walk small groups of children to and from the photographer from their classroom.

**Craft Helper/Cutter** Cutting construction paper to a specific shape/object for art projects. *This job can be done at home.*

**Snack Helper:** Assist on days when special snacks are served.

I will be willing to help with the following: \_\_\_\_\_
