Dear Business Representative,

Over twenty years ago, the Central California Veterans Home Support Foundation was created to ensure that the California Department of Veterans Affairs honored their pledge to build a Veterans Home in Fresno. Thanks to the Foundation's efforts and the support of the community, the Fresno Veterans Home has been open for more than ten years. The Home provides three levels of care, Skilled Nursing, Memory Care and Assisted Living.

The State of California provides the necessities for our veterans such as food, shelter and healthcare. Unfortunately, they are limited in their ability to provide for such items as activities, outings and events. Many of our veterans are on a fixed income, so even though they would like to fund activities on their own, they just don't have the means to do so. It is the goal of the Central California Veterans Home Support Foundation to maintain and improve the lives of veterans living in the Fresno Veterans Home.

Therefore, the Central California Veterans Home Support Foundation would like to invite you to become a sponsor for our 10th Annual Spaghetti Dinner, Saturday, October 26, 2024, 4 to 7 p.m., at the American Legion Post 509. Guest can either dine-in or drive-thru to enjoy their meal. Sponsorship opportunities are included in the attached letter.

Proceeds from this event will go towards purchasing Christmas gifts for the 300 residents at the Fresno Veterans Home.

Please contact Julie Cusator at (559)493-4239 or Julie.cusator@calvet.ca.gov if you have any questions and to confirm your support to our local veterans.

On behalf of all our veterans, we sincerely thank you for considering this request.

Best Regards,
