April 2020 Update from Mike and Cheryl

Mike and I want to reach out to you during this unusual season and let you know how things are going in Kenya and ask you to pray for some specific requests. We also want you to know we are praying for you.

We were scheduled to come back to the States in March. I was to travel first, and Mike was to follow 3 weeks later after finishing up a couple construction projects. Shortly after I arrived in the States, the Kenyan government became concerned about the spread of the coronavirus and closed down all international travel. At this time Mike is still in Kenya. He is waiting for the international travel restriction to be lifted.

Kenya, and the African continent in general, was among the last to be affected with the coronavirus. The case numbers are currently small and we pray they stay small.

When the store shelves are bare, when loved ones are far away, when the activities that make us smile or cheer are not “doable”... **

DON'T DESPAIR... contentment is well within our reach!

The Apostle Paul wrote in Philippians 4:12-13, “I know how to live on almost nothing or with everything. I have learned the secret of living in every situation, whether it is with a full stomach or empty, with plenty or little. For I

can do everything through Christ, who gives me strength.”

I love this section of scripture, especially in situations like we are currently going through. To me, being satisfied no matter what comes our way is a great benefit of surrendering our life to Jesus!

Let's pray together:

For wisdom for the leaders of the countries battling this pandemic

For God to touch lives of those infected

For the cure to come according to God's will, be it miraculous or medicinal

For the JFM church members in Kenya to remain strong while meetings are not permitted

For Mike to be able to fly on April 24th according to God's will

Please pray for these specific needs for American friends of JFM:

Healing for Carson Turner's Dad, Richard who is battling COVID-19

Comfort for Ramona, who's husband Michael Gillen, pastor of Abundant Life Christian Center, went home to be with the Lord on March 28

Strength and healing for Peggy, the Donehue's Mom who is battling cancer

Next week we will share with you some good news about the wonderful work that was done during the 15 days the Westside Community Church Missions Team was together with us in Kenya.
