

**Short ... But So Sweet!
Catching Up With You From Kenya!**

It is so very, very sweet to have Pastor Sherry with us. What a wonderful asset to JFM Kenya.

She is continually being emptied out as she teaches the people of Kenya and advises the JFM Kenya Board and Pastors.

**March 27 2016 - A Day of Remembering the Commands of Jesus
FOLLOWING JESUS IN REPENTANCE, THE LORD'S TABLE,
CHILD DEDICATION AND WATER BAPTISM IN CHUMVI KENYA**

JFM KENYA LEADERSHIP TEAM:

Pastor Ruben, Missionary Mike Freese, Missionary Pastor Cheryl Freese, Missionary Pastor Sherry Cox, Children's Worker Tum, Pastor David Kefa, Pastor John Moire and Pastor Wilson Neimunji

Missionary Mike Freese preached a message of repentance. Most of the church came forward to respond to the message. Afterward 12 young people gave their lives to Jesus.

Missionary Sherry Cox taught a powerful message on the Lord's Table and led the congregation in a time of communion.

JFM Pastor David Kefa taught on the importance of allowing the children to come to Jesus and raising them to know the Lord.

After Pastor David's message 18 children were dedicated to the Lord.

Missionary Pastor Cheryl Freese taught on Jesus's command to be baptized in water.

After the service Pastor Cheryl and Pastor Ruben baptized 26 members of the Chumvi and Oloruko churches!

WHAT A SWEET DAY!!!

Psalms 119:103

"How sweet are Your words to my taste, Sweeter than honey to my mouth!"

It's So Sweet... 86 Maasai Received Christ!!!

Our JFM Chumvi and Oloruko Churches gathered at the Oloruko Church (our new JFM church-plant that meets under the tree) to begin 3 days of door to door evangelism.

This effort was led by our brother and sister, Anthony and Cindi Holland of R.E.A.P. Ministries.

KENYA MISSIONARY WORK PERMITS

by Mike and Cheryl Freese

Thank you so much for praying with us for our Kenya work permits. Last month the Kenya Department of Immigration granted us 3-year work permits with Jesus Frees Ministries Kenya! We are praising God for this sweet answer to prayer!

Personal Update
by Cheryl Freese**

My dad, "Pop" Art Price, had some serious health issues in April. He was hospitalized twice with a bacterial infection in his blood, fluid in his lung and heart issues. For one month he had trouble even sitting up.

We are thanking God for answering our collective prayers for him! He is now back working in his garden, harvesting bananas and sugarcane!

Pop sent some of his sugarcane harvest to the children in Chumvi...

**The children of the JFM Chumvi and Oloruko Churches think
"Pop-Art's" SUGARCANE IS SO SWEET!!!**
