JFM Chumvi Project February 2014

It is exciting to watch the Chumvi project take shape. The congregation has now started meeting inside the structure. The walls give protection from the strong seasonal winds. Pictured left is the Saturday Children's Church Meeting today, February 28th. The children are so happy for the wind break and to have a place to meet to learn about God's word.

Now that the trusses are in place, the next step is welding the steel that connects the trusses and forms the base for the roof. This growing congregation in Chumvi is planning a fundraiser to give the community an opportunity to contribute to the roofing sheets.

This is a big project and it is going to bless the lives of many Kenyan schoolchildren and offer a center for spiritual training as well. May God bless you as you join hands with and bless the less fortunate.

STRATEGY FOR EFFECTIVE MISSIONS' MINISTRY

A strategy is a plan of deliberate steps to follow to work toward a specific goal. There have been many words written about how to be effective in missions' ministry, and the psalmist laid out one of the greatest and most effective plans in Psalm 67:1-7:

**"May God be gracious to us and bless us and make His face shine upon us,
that Your ways may be known on earth, Your salvation among all nations.
May the peoples praise You, O God; may all the peoples praise You
May the nations be glad and sing for joy, for You rule the peoples justly
And guide the nations of the earth."**

"May the peoples praise You, may all the peoples praise You.
Then the land will yield its harvest, and God, our God, will bless us.
God will bless us, and all the ends of the earth will fear Him!"

"May the peoples praise You, may all the peoples praise You.
Then the land will yield its harvest, and God, our God, will bless us.
God will bless us, and all the ends of the earth will fear Him!"

Wow! What a wonderful missions-focused revelation! Have you ever considered that asking our Lord for abundant blessings is a great and effective missions' plan?

This psalmist leads us to recognize why we are so very blessed. And with this revelation, we can freely say, "Lord, bless me!" Because of our blessings God's goodness and faithfulness is expressed for the entire world to see!

The psalmist leads us to recognize God's constant guidance and rule over our lives. All the "peoples of the world", where we minister to the needy, have the opportunity to watch God's perfect direction in our every step!

And, the psalmist leads us to recognize that all the world will see that the work of our hands is blessed as we minister to others and reap the harvest of souls for the Kingdom!

Seek His blessings today! And be ready to tell the world of His goodness!

Philippians 4:6-7

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

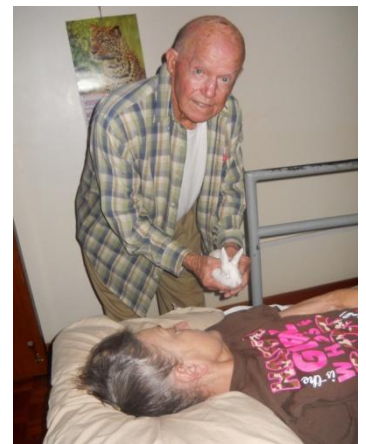

PRAYER AND THANKSGIVING

- We are thankful for the opportunity to preach and teach in Kenya. We are thankful for the 11 people we have seen give their lives to Jesus (Yeshua) in this new year.
- We are praying for a great harvest of souls in 2015!
- Our Son-In-Law Josh is recovering nicely; we thank "Yahweh Rapha", "the God who heals" (Exodus 15:16).
- Please pray for Theresa from our Tuesday Bible Study. She is scheduled for another round of Chemo on March 2. We are praying for her white blood count to be good.
- Ziporah (Zippy) is part of our Tuesday Bible study group. She has never carried a pregnancy to full-term. In Kenya, premature deliveries have very little chance of survival. Zippy is now 28 weeks. Please pray with us for a full-term, healthy baby.

Theresa

- Please pray for continued health for Cheryl's parents. They are enjoying being in Kenya. Art gives everyone a Bible quiz at breakfast and cares for the compound animals and garden.
- Please pray as we trust "Yahweh Yireh", "the God who provides" (Genesis 22:14), for the resources to wrap up the Chumvi Education Center/Church project. As Pastor Sherry Cox's Missions Message taught, may He bless His people so they can be a blessing!
- Please pray for persecuted Christians in Iraq and other places throughout the world who are suffering for their faith. Many Christians are wearing this symbol to show their support of the persecuted Iraqi Christians.
