The Word of God is Alive, Powerful and Changing Lives in Kenya! - February 2021

For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires. Hebrews 4:12

We are rejoicing in Kenya this month because in 2021 the Voice of the Martyrs (VOM) is once again going to help JFM give the Word of God to Kenyan's who need Bibles!

Last year in addition to regular Bibles in several languages we received solar powered audio Bibles in Kenyan languages for those who can't read!

Here are 2 stories from this month:

Maina the Night Guard and Missionary Mike

This is Maina. He works as a guard for a Muslim family in our neighborhood. He can't read or speak English. This month we gave him a Swahili Audio Bible and two days later we found him sitting on the grass sharing the scriptures with another man!!! When he saw us he jumped up and ran over to tell us in Swahili how happy he is and how much he loves hearing the Word of God. He is bringing his audio Bible to work every evening!

This is Amina and her daughter Vicky. Amina is holding a Borana Audio Bible.

Amina is from the Borana tribe and was born into a Kenyan Muslim family. One evening in 2011 Cheryl shared God's Word with Amina for 3-hours. Amina was told that becoming a Christian could be very difficult for her. She needed to count the costs because becoming a Christian meant she may be shunned or even persecuted by her family.

Amina believed the Bible to be truthful, she surrendered her life to Christ and surely the persecution began. She was beaten when her brother caught her reading the Bible she had been given and she was banned from her parent's home. Persecution came from satan as well. She lost her job and thieves broke into her tiny apartment and stole her personal belongings. But she never denied Jesus! The power of God is greater! She got a better job and God provided JFM sponsors to help with her children's school fees!

Since 2011 Amina has had a burden for her unsaved family members. In 2015 Mike and Cheryl visited her mother who was in the hospital and after praying for her in Jesus' name, she was healed! She lived many years in good health and Amina's family became softer to the Gospel. Several years later when Amina's mom passed away, her Borana Bible was there with her under her pillow. She couldn't read but others would read the Bible to her. Praise the Lord, we now have audio Bibles available in the Borana language!

Amina has been taking Borana Bibles to her Muslim family members. This month she was able to give 3-Borana audio Bibles! Please pray with us that Amina's unsaved family members will believe in Jesus and be saved.

JFM Oloruko Church - February 2021

JFM Oloruko Church - Pastor John and Felista Moire February 2021

For 1-year the Covid-19 lockdown prevented Mike and Cheryl from traveling to fellowship at the JFM Oloruko church. When they arrived this month to teach the Word and share the Lord's Supper, they were greeted by Pastor John Moire with some sad news. He told them that rain had been very scarce in that region and several of the members wouldn't be at church because they had to travel with their flocks to find water. They whispered a prayer for rain and went on with the service. Cheryl was sharing a lesson on Psalm 37 and halfway through... IT BEGAN TO POUR!!! It rained so hard the lesson had to be delayed. So instead the church sang and praised God at the top of their voices! The rain continued off and on throughout the day and even into the next week!! Our Heavenly Father is so faithful!

JFM Oloruko Children and Youth

Recently this family of 10 came to the Oloruko Church and surrendered their lives to Jesus!
