freeing power of Jesus Christ

A Gift of Goats for the Santamu Family

THESE GOATS HELPED US SHARE JESUS WITH NGILA

In the beginning of 2016, in Kiwanja Nedge, Kenya there was some tribal issues between the Samburu and the Maasai Tribes. There were several Maasai families who lost herds of animals when the Samburu tribes raided their farms and stole their animals. Several months before all this raiding started in Kiwanja Ndege JFM was preparing to plant a JFM church and the church was planted in April 2016.

One of the families lost a herd of 200 sheep. The herd was the source of income used to support 3 orphan grandchildren as they completed their secondary and college education.

ALAN HELPED REBUILD THE HERD

Mike and Cheryl shared this story at the Abundant Life Church in Bryan, Texas, and one man's heart was touched with compassion. Alan contributed money to help rebuild the herd. (Alan is between Mike and Cheryl in the photo.)

MORE GOATS FOR THE SANTAMU FAMILY

JFM was able to purchase 6 female goats on behalf of Alan. Sunday, November 13 the goats were delivered to the Santamu family. They were so grateful that someone on the other side of the world was concerned about their situation. Their hearts were so touched that they have become dedicated members of the JFM Kiwanga Ndege Church.

The JFM Kiwanja Ndege Church met at the Gila humble home and Mike and Cheryl shared the Word of God.

NOW NGILA KNOWS JESUS AS HIS SAVIOR

At the end of the message, Ngila repented and accepted Yeshua as his Savior. He was given a Bible and welcomed into the family of God!

That day, the Santamu Family received goats and Ngila received the Spotless Lamb of God, Yeshua, who takes away the sins of the world!!!

Cheryl's mom, B Price, turned 81 on December 18th. This is the 5th consecutive birthday B has celebrated in Kenya.

Art and B also wish you a happy New Year and a blessed 2017

Thank you for your faithfulness.

- Mike and Cheryl Frees, Founders

"And you will know the truth, and the truth will make you free." John 8:32
