Greetings from Kenya!

What a blessed New Year it has been. The Lord has been so faithful to see us through this first month of 2022. God has answered prayers and we have seen His Mighty Power touching the lives of our Kenyan brothers and sisters. Thank you so much for your prayers and support during 2021. At the end of this update you will find the 2021 report and see the faithfulness of our Lord!

Blessed 2022!

POWERFUL RIVER BAPTISM SERVICE AT THE JFM DARAJA CHURCH

On January 23rd we went to share the Word with this "on fire" JFM Fellowship. They are like a lighthouse on a

hill. Their building is very primitive and in need of renovations but inside that rustic building are members of the Body of Christ, His Church, and they are shining bright for Jesus-Yeshua! They were eager to receive Bibles and audio Bibles. Then

after the service, 25-Believers followed the Lord in baptism at the nearby river! Below there is a short, exciting video of how the Holy Spirit blessed and filled many of these precious Saints as they were baptized!

We are grateful beyond words to everyone who contributed over the years to the building of this Chumvi JFM School and JFM Church! A big "thank you" to Westside

Community Church for contributing monthly to pay the teachers and staff! Thank you to those who help us buy books and supplies! God is doing something powerful and amazing at this school. It is a shining example of the love of Christ!

A TEACHER HELPING TEACHERS! A precious teacher in America has pledged to assist the JFM Entapipi teachers, Naomi (right) and Regina (left) with their special classroom needs! Isn't that SWEET!

This month the JFM School gate was built and installed! The chain link fence was also finished!

Prayer and Praise

Let's Praise God Together:

- For all the Lord has done for us, especially giving us eternal life!
- For all that was accomplish for His glory in 2021!
- For those who have been saved and baptized!
- For providing Bibles for Kenyans!
- For providing sponsors to help impoverished children and families!

A POWERFUL ANSWER TO PRAYER FOR SPONSORED STUDENTS !

This month the burden to help more students drove us to our knees to call upon our Heavenly Father to help more impoverished children go to school. We got up off our knees and we discovered the answer came from Heaven 2-hours earlier! It was in the form of an email from a friend of JFM. It read, "God has told us to sponsor school fees for 10-Kenyan children!" That is just like our God! He answered even before we cried out to Him! Another family has also stepped up to sponsor a fatherless boy. He is now attending a trade school. May God receive ALL the glory!

THANK YOU FOR PRAYING FOR ELECTRICITY TO COME TO THE CHUMVI SCHOOL & CHURCH AND TO THE JFM HEADQUARTERS ON ANGEL HILL!

This month the power company set all the poles and connected the wires. The transformer is ready to be set once they collect the conductors! We praise God for bringing power to this remote area!

By February the electricity should be flowing!!!

PLEASE PRAY:

- For people to turn to Jesus for hope and salvation during this time and always!
- For a speedy recovery for those who are ill from the variants of the corona virus.
- For the renewal process of Mike and Cheryl's Kenyan Missionary work permits to be smooth and timely.
- For the rural electricity commission to quickly complete this last step of setting the transformer.

PLEASE PRAY FOR THESE SPECIFIC NEEDS OF THE FRIENDS OF JFM:

Please pray for our sister, Nancy Cowell, from the Calvary Chapel Church in Bartlesville Oklahoma.

Nancy's husband, Welcome, suddenly and unexpectedly went home to be with the Lord this month. For several years the Cowells have faithfully sponsored 2-Kenyan students.

Welcome and Nancy Cowell

PLEASE PRAY:

- For healing for Mike's mom as she battles lung cancer.
- For Cheryl's Uncle, Lou Auringer, as he faces several health challenges.
- For healing for JFM Vice President, Pastor Thomas Lowery.

"Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think." Ephesians 3:20

May the Holy Spirit guide you, may the grace of Yeshua help you in every situation and may the love of the Father flow through you!

LOOK WHAT THE LORD HAS DONE!

JFM REPORTING PERIOD (beginning 4-1-2020 through 3-31-2021)

In his daily devotional for December 31st, Oswald Chambers quotes Isaiah 52:12. "You shall not go out with haste, ... for the LORD will go before you, and the God of Israel will be your rear guard." "At the end of the year, we turn with eagerness to all that God has for the future. As we go forth into the coming year, let it not be in the haste of impetuous, forgetful delight, nor with the quickness of impulsive thoughtlessness. But let us go out with the patient power of knowing that the God of Israel will go before us!" This is our prayer for 2022, "LORD, we thank you for everything that was accomplished in 2021, please go before us that your will may be done, for the glory and honor of Your Name!

Here's a brief look at our fiscal year for 2021 which occurred during the peak of the Covid-19 pandemic. JFM was able to assist Kenyans who were traumatized by lock downs, unemployment, and illness. Food relief was distributed at several JFM Churches. Assistance and Bibles were even given to suffering prison inmates. Our JFM Entapipi Education Center continued to grow strong! All Kenyan schools were closed for 10 months due to the pandemic and most teachers weren't paid. Praise God, JFM continued to fully fund our teachers and staff. When school resumed in January 2021, upon reopening, enrollment soared to 42 children! Construction continued at the school campus. The foundation was laid for additional school staff quarters. A new water line was installed along with a new 3000-liter water tank and the boys/men's restroom was completed.

The 20-acre parcel which will be the future home of the JFM Kenya Headquarters, Mission Center, orphanage and green house contains the water well that was drilled in 2019 and the completed pump-house. In this reporting period a steel tower was constructed for 14-solar panels and a 10,000-liter water tank was purchased and installed. 150 meters of water line was laid from the pump to the storage tank. The well produces 1,300 gallons of water per hour. This good water has made a tremendous difference in the lives of the Maasai community living in the Chumvi area.

They and the school now have a reliable source of excellent drinking water. JFM continues to connect American sponsors with less fortunate and fatherless children. Through their donations to JFM school fees, uniforms, books, shoes, and food are provided for these children. During this reporting period our sponsorships increased to 38 students who are receiving help! We happily report that four JFM sponsored students successfully graduated from high school!

Three new JFM Churches were established this year, two in Northern and one in Western Kenya. 28-JFM Pastors met for a 4-day training conference in Chumvi, Kenya. The leadership of JFM ordained 3-JFM pastors. Two JFM pastors attended the School of Christ Bible school in Nairobi. Help was given to various JFM churches. Assistance with yearly rent was given to 2-JFM churches. Contributions for a new piano keyboard, two churches were helped with speakers and microphones. The JFM Gitathi-ini church was given funds to finish their Sunday school room, pastor's office, pit-latrines restrooms and to provide piped water to the church. The JFM Luanda Church was assisted with funds to construct a 3-room church pre-school/kindergarten and to install a cement floor inside the main church building. They also purchased a power meter and ran electricity to the church. Three pastors received mobile phones to aid in their communication with members.

During this 2021 reporting period, a 6-month Bible study course called "Live in the Word" was developed for the JFM churches by our JFM Board Secretary, Sherry Cox. The books were translated, printed, and distributed to each member. 255 Bibles and 22 audio Bibles were placed in the hands of Kenyans hungry for the Word of God. By His grace, in this year of restricted movement, the love of God continued to touch hearts and 85 Kenyans gave their lives to Christ!

Thank you so much for your contributions in 2021. You have helped us serve the people of Kenya for another year. May God bless you so much for your sacrifice to His work!

In Christ's Love and for His glory,

Missionaries Mike and Cheryl Freese and the JFM Board of Directors
