Art Price - A Life Well Lived

by Cheryl Freese

My Dad, "Pop" was his preferred name, would have been 90 years old this month. Mike and I had just returned to Kenya from our annual trip to the USA to find Pop in need of radiation treatments to stop the spread of some aggressive skin cancer.

The treatments were working very well, and he was doing great. It was a shock when he went home to be with the Lord in his sleep on June 16th 2019, Father's Day Morning. Just 5 1/2 months earlier my Mom, Betty Price, had finished her race. They had been happily married for 64 years.

Pop was a man of exemplary character. He was truthful, faithful, loving, peaceful, kind and helpful. He was a great missionary here in Kenya for almost 7 years. He built benches, pulpits, and tables for the JFM Churches. He built many things we needed at the JFM Mission House and he planted a vegetable garden and happily did the yardwork for our compound. He conducted a daily Bible quiz after breakfast for all present. He was a great example of a loving Christian, husband, father, grandfather, brother and friend.

The mission house is quieter without Pop's strong bass voice singing along with his southern gospel music CD's. It was sad to say goodbye to him, especially on Father's Day, but we know it is just a short goodbye and we will see him in a little while "just inside the Eastern Gate."

Pop's first memorial service will be held in Bryan, Texas, Saturday, August 24th 2019 at the Abundant Life Assemblies of God Church where he was a member. Then the final memorial and burial will be in Southern California.
