June 2020-Update on Mike and the Chumvi Well Project

THE KENYA LOCKDOWN IS STILL IN PLACE

Thank you so much for praying for Mike. He is well; however, the Kenyan Government continues to hold the travel restrictions in place. Therefore, Mike isn't able to leave Kenya and I'm not able to travel there. The number of positive cases of COVID-19 continues to climb in Kenya but thankfully the death rate is very low. In Romans 8 the Bible tells us "And we know that God causes all things to work together for good to those who love God and are called according to his purpose." We trust this promise and know that "the good" is coming!
Blessings!

JFM Well Project Update

Mike has been working on the JFM well project in Chumvi which is about 2-hours from our home in Nyeri, Kenya. The pump and solar panels that will run the pump were ordered in March and arrived in Kenya's capital, Nairobi, just as the country went into lockdown making transport impossible. The tower for the solar panels has been constructed and erected and Mike has

been working on the 10,000-liter water storage tank and water pipes. God willing, the pump and solar panels should arrive and be installed the first part of July then the water will be flowing!

A big "THANK YOU" to those who contributed to this great project!

Distributing Food Relief

Mike has continued to facilitate the distribution of food to various parts of Kenya. What a wonderful blessing this assistance has been to many families! Thank you to those who have sent donations for this purpose!

God bless you so much!

Prayer and Praise

Let's Praise God Together:

The severe flooding in Kenya has subsided
 In Kenya the deaths from COVID-19 remain low

Let's Pray Together:

For peace to reign during this trying time
 For continued wisdom for the leaders of the countries battling this pandemic
 For God to touch and heal those infected with COVID-19
 For God to encourage the discouraged who are affected because of COVID-19
 For people to turn to Jesus for hope and salvation during this time of uncertainty
 For the cure to come according to God's will, be it miraculous or medicinal
 For the Kenyan Government to allow the churches to be fully open
 For Mike to be able to fly safely to America

Please pray for these specific needs for American friends of JFM:

Healing and strength for Peggy, the Donehue's Mom who is battling cancer
 Healing and strength for Dan Dimas as he waits for a liver transplant
 Healing and strength for Richard Keto as he recovers from major back surgery
