A Note from Cheryl Freese

Ecclesiastes 4:10 For if they fall, one will lift up his companion. But woe to him *who is* alone when he falls, For *he has* no one to help him up. Some of you have heard that my mom, Betty (B) Price took a bad fall at home in Kenya last month and fractured her right femur just below the hip requiring a "recon-nail" surgery. The Holy Spirit was really impressing that mom should be taken to a hospital about 3 1/2 hours from our town. I didn't know much about the Kijabe Mission Hospital but a good Kenyan friend with the same break was successfully treated there. The ambulance carried mom and we followed behind.

Upon our arrival we discovered that the Hospital was founded and run by Americans. One of the doctors asked us where we were from and we said, "Bend, Oregon." That's when we found out that Dr. Mike Mara, an orthopedic surgeon from Bend, Oregon, had been volunteering at the Kijabe Hospital for 2 years!!! The next day we met Dr Mara and he remembered treating my husband, Mike in the U.S. in 2007!!! Coincidence? No way!!!

Another missionary from Ireland, Jolene

After many hours of prayer, the 4 hour surgery and 9 days of exceptional treatment from the nursing and physical therapy team we brought mom back home to Nyeri.

Allen, is an Occupational Therapist and is coming by several days a week to help with mom's recovery. Mom is steadily improving and should be walking in a week or two.

Missionary & O.T. Jolene Allen

While we were at the Kijabe hospital ministry continued on. A young man named Steven, who was there caring for his uncle, received salvation and forgiveness of sins. Mike witnessed to several men who came from Somalia for treatment. We prayed for several others whose health improved rapidly. Glory to The Father!!!

Pastor Chumo & Alice

Several visitors have come to visit mom and pray for her.

Thanks for praying for a quick recovery for mom and strength for us as we care for her.

Blessings... Cheryl

***"I HAVE BROUGHT YOU GLORY..." John 17:4 A Missions
Message From The JFM Board Secretary***

When we consider our roles in missionary work, often we, prayerfully, need to expand our vision. This can only happen with the power and insight of the Holy Spirit. Our hearts and minds are too often limited by our own knowledge and experience! And, therefore, our creativity in ways to support missions can also be limited.

BUT! Thank God, our dear Holy Spirit is always ready to reveal to us greater and greater ways to "go into all the world." We are never limited when we depend on Him! Recently a Scripture I have read many times became more vivid to me than ever before-in ways that made it applicable to my responsibilities in missionary work!

**"I have brought you glory on earth by completing
the work you gave me to do." John 17:4**

We recognize that this comes from Jesus' prayer to His Father prior to His crucifixion. However, have you ever thought to apply it to yourself? Is this your heart's desire? To complete the work our Father planned for you? Our greatest goal in life must be to "go into all the world" in whatever way He desires for us! Ask! He will reveal that plan to you! Begin today! And be ready to tell the Lord that you have "brought you glory on earth by..."

Kenya Projects & Outreach

CHUMVI SCHOOL/CHURCH PROJECT

The plumbing has been installed and the cement slab is being poured. It will be poured in sections over the next few weeks.

The stones for the columns and the steel roofing trusses are ready to be erected once the slab is finished.

Thank you for supporting the JFM Projects!
May this place be a lighthouse to lead many to the TRUTH!

Salvation & Deliverance!

Pictured with Mike Freese is Michael from Kamakwa. Michael's life was transformed in the fall of 2013 when he received deliverance from alcohol dependency after Mike presented the Truth of the "Freeing Power of The Savior".

Two years ago Michael's cousin Florence was conned into marrying a muslim man 20 years her senior. When the man took two additional wives he divorced Florence threatening that if she left Islam she would be killed.

In February Michael brought his cousin to talk with Mike and Cheryl and to be delivered from the fear that was holding her captive.

Florence listened to the Truth from the Bible and courage arose in her spirit to come back to The Savior and the faith of her parents!!!

Please pray for Florence as she stands for Truth.

Special JFM Prayer Request

The medical camp that was held in the Nyeri Prison in January saw 115 souls come to the Savior. JFM was expecting a \$500 contribution to help cover some of the costs. Unfortunately, it never came. In addition, we had a pipe break at the JFM Mission House and the water was lost underground. The bill for that one month was \$1238. Mike negotiated with the water company and thankfully they are willing to reduce the bill by half. In April JFM will need to pay 2nd term school fees of \$1200 for the 19 Students JFM sponsors. The Heavenly Father knows what have need of before we even ask but we are also told to ask!

As it says in **Philippians 4:19** "And my God shall supply all your need according to His riches in glory by Christ Jesus." Amen!
