The First Day of School - March 2019

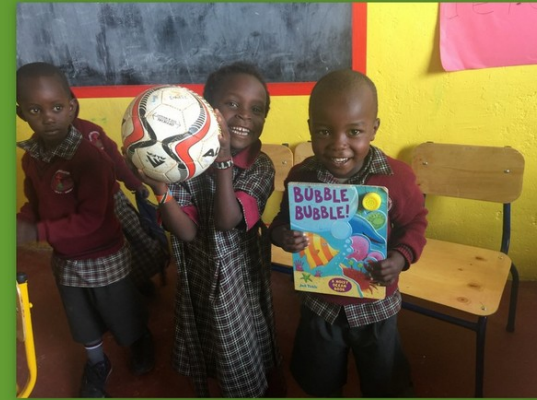

School Banner

January 7th 2019 the school doors opened and 9 little children entered the **Entapipi JFM Education Center**. The number of students has steadily grown to 19. Entapipi means clover in the Maasai language and it is found in this area of Chumvi.

Because Kenya was a British Colony, schools and government offices are conducted in English. The official Kenyan conversational language is Swahili. These little children speak the Maasai language which is their "mother tongue" but they will spend the next three years learning to speak English and Swahili. They will learn to read and write and do math problems.

Many of these precious children have never held a storybook, played with a real ball or played on playground equipment. They do now! They receive breakfast, lunch, a school uniform and an excellent education all for a charge of \$3.50 per month. Teacher Naomi says they don't want to leave school at the end of the day! At the bottom of this newsletter you will find ways to donate to help subsidize this JFM School. Click the button below the picture for a special message from a happy parent.

"Thank you so much for water!"

Two years ago JFM received a check from the Children's and Youth Departments of Calvary Chapel Bartlesville Oklahoma. These children and their teacher, Jenny Lowery, had a vision for a well in Chumvi. Praise the Lord!!! Although it took a couple of years to raise funds and there were some struggles and delays during the drilling process, at the beginning of March WATER WAS FOUND IN CHUMVI!!!

The well drilling stopped at 558 feet and the output is 1,300 gallons an hour. For now the well is capped as funds are raised for the pump, pump house, power source and storage tanks. The same God who brought water from the rock is still making provision today!

**Precious in the sight of the Lord is the death of his saints. Psalm 116:15

Shortly after the last JFM newsletter was released Cheryl's mom, Betty Price, went home to be with Jesus. The last few months of 2018 B was steadily declining. She was hospitalized the last 4 days of 2018 with aspiration pneumonia and finished her race the last day of 2018.

In 2007 she wrote, "If we could fly anywhere in the world it would be to Nyeri, Kenya to see the work that our daughter and her husband are doing. Granny's heart has always belonged to Africa!" Her heart's desire became a reality in 2012 when B and Art came to live in Kenya. Once in Kenya B and Art continued to do what they have always done, love and serve God and others!

B's Memorial Service at Vanguard University was a precious gathering of family and friends. It was enlightening to hear stories about B from University President Mike Beals and his wife, Faith. If you would like to experience the moment click below.

B's Family Present on March 9th 2019

B was such special person.

She lived fully, served selflessly, laughed loudly, love totally, gave generously and obeyed God faithfully. Her life impacted thousands. May we pick up the torch and

do the same!
