In March 2021 God Showed Himself Marvelous and Miraculous

We are so excited to share these awesome testimonies with you!

Thank you for standing with us in this missionary outreach to Kenya! We really appreciate your prayers and support!

Mike and Cheryl Freese

On March 2nd we met with a few of our JFM Pastors to plan the March JFM Pastor's Conference. During the meeting we worked on the budget for the transportation and food for the 27 JFM Pastors. Some of the pastors needed to travel about eight hours to get to the meeting so the transportation costs would be expensive. We calculated the total cost for the Pastor's Conference. Then we all prayed for the Lord to provide. Two days later JFM received a PayPal

donation from a first-time contributor FOR EXACTLY THE AMOUNT WE PRAYED FOR! MIRACULOUS!

JFM Pastor's Conference 2021

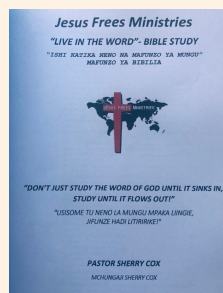

JFM Pastor's Come Together for Fellowship, Encouragement and Direction

The Pastor's Conference was wonderful. We all came together in such unity in the Spirit and the bond of peace. Our Kenyan brothers and sisters committed themselves to preach the Word of God in Spirit and Truth, living lives of integrity in order to reach the lost with the **FREEING POWER OF JESUS CHRIST... JESUS FREES!**

"Live in the Word" 6-Month Bible Study by Pastor Sherry Cox

Pastor Sherry Cox-JFM Bd. Sec.

"Live in the Word" 6-

Month Bible Study

Distributing 503 Bible Study Books for the JFM Pastors to take back to the JFM Churches

Part of the preparation for the conference was to translate and print a wonderful 6-month discipleship Bible study book by Pastor Sherry Cox called “Live in the Word”. The study incorporates weekly topics with daily scriptures then group discussion questions for Sundays. With the help of our gifted assistant, Emily Mwangi, we adapted the lessons into 3-levels: early childhood, middle childhood and High School/Adult. God has added to our fellowship daily, so we needed to print over 500 of these Bible Study Books! **MARVELOUS!**

Three JFM pastors met the qualifications for ordination, Ruben Kiloku, David Govoga and Jack Makati. That gives us one ordained pastor from each of the regions we are working in. Now they can be licensed by the Kenyan Government to perform weddings in their regions!

Ordination Candidates: Jack Makati, Ruben Kiloku, David Govoga

Kenya Traditional Cake Celebration

The Ordination service was a beautiful time of consecration. The tradition at such celebrations in Kenya requires a cake to be cut and served by the ones being celebrated! All 3-men served each person a piece of cake! MARVELOUS!

We piled into the 4 vehicles and drove over to JFM Angel Hill for a time of prayer. It was important for all the JFM pastors to see this 20-acre parcel that will house the JFM Headquarters, prayer center, mission-team bungalows, future orphanage/widow's home and agricultural farming. It was beautiful for them to see people from the community coming to draw water provided by the Angel Hill well! MARVELOUS!

Prayer Time at JFM Angel Hill

Covid-19 hospitalizations have increased in Kenya and as we were traveling back from the conference, the Kenyan President, Uhuru Kenyatta, locked down Nairobi, Nakuru and 3 other major counties. This travel band was to begin at midnight! JFM Pastors were traveling back to many parts of Kenya and those coming the farthest were 3 pastors from Migori which is close to the Tanzania border. The plan was for them to spend the night in Nakuru and travel to Migori the next day. Miraculously when they arrived in Nakuru there was a private vehicle waiting right there whose driver wanted to transport 3 people to Migori!!! MIRACULOUS!

We appreciate your prayers and help as we mentor these men and women who will in turn preach the pure Gospel of Jesus Christ throughout Kenya and beyond!

YouTube Video Summary of the JFM Pastor's Conference

Currently JFM is helping 41 Kenyan children and most of them have sponsors from the USA!

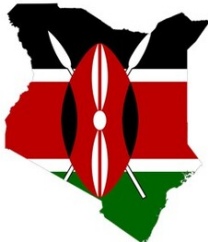

Psalm 72:4a says, "Help him to defend the poor, to rescue the children of the needy..." We continue to give God praise for the MARVELOUS way he is using friends of JFM to help needy children!

Education is not free in Kenya. If a parent can't afford to pay the school fees and buy uniforms, the child is chased away from school. Without an education these children will suffer greatly when they become adults.

I would like to tell you about 8 less-fortunate children who need some monthly help so they can stay in school. We are asking God to connect these children with USA sponsors.

Prayer and Praise

Betty Lew's last day of Chemo!

Thank you for praying with us! God hears! God cares!

Let's Praise God Together:

For almost 1-year our JFM Team of Believers has joined together in prayer for Betty Lew and this month we have a great testimony for you!!! Betty has come through surgery, seclusion, and chemo from stage 4 cancer and now after almost one year she can resume her normal activities! She says, "It is important for people to see God still works miracles and always listens to our prayers to be answered according to His perfect will!" MIRACULOUS!

Lets praise God because after her surgery, Peggy Miller's cancer marker blood work went down from 187 to 24.9! Even the nurse was excited! MIRACULOUS!

Since coming to Kenya we have never had a good or stable internet. It has been very weak and can be out for days at a time. This month a company called Safaricom brought fiber optic cable to our neighborhood! What an answer to prayer! MARVELOUS!

All the large poles that will help bring electricity to the JFM school and Angel Hill were on the way but the truck wasn't able to make it up the hill so the poles were dropped 1-1/2 miles from the school. Let's keep praying... we're getting closer!

Let's Pray Together:

**For people to turn to Jesus for hope and salvation during this time and always!
For the rural electricity commission to act quickly and bring power to the JFM school.**

For God to provide sponsors to help needy children in the JFM Churches.

**Please continue to pray for these specific needs for American friends of JFM:
Complete healing and strength and encouragement for George Ebejer, Mike's
cousin who is battling cancer.**

**Complete healing and strength for Peggy Miller, the Donehue's Mom in her
battle against cancer.**

**Healing and strength for JFM's children's worker "Babu Dan" Dan Dimas as he
awaits a liver transplant.**

**Healing and strength for Mike's parents as they are facing some health
challenges.**
