MAY 2020 UPDATE FROM MIKE AND CHERYL

CHERYL'S UPDATE ON MIKE

Thank you for praying for Mike, here's what's happening. The Kenyan Government continues to hold the travel restrictions in place which means Mike isn't able to leave Kenya. The next possible departure date is July 1st. We are trusting the Lord while Mike is staying busy working on the JFM Gitathi-ini church project near our home. Churches will be allowed to open soon and this JFM church is ready! "Thank you" to Westside Community Church for donating toward the completion of this project.

PRISON ASSISTANCE

Family members of the inmates are required to supply their personal hygiene items. Social distancing measures at the prison restrict visits from the inmate's families but Mike was able to assist the prison inmates with a donation of Bibles and personal hygiene supplies.

BIBLES FOR THOSE WHO CAN'T READ

JFM is grateful to the Voice of the Martyrs (VOM) for continuing to help us with Bibles. In February JFM received their first shipment of solar powered audio Bibles in several Kenyan dialects. Those who received this amazing gift were overjoyed to have the independence to listen to God's Word anytime!

Prayer and Praise

The Kibera Slum is the home of over 2.5 million Kenyans. As we pray for Kenya to be safe from COVID19 let's remember the Kenyans living in this crowded condition.

Lets Praise God Together:

Peggy, the Donehue's Mom, is still battling cancer but she is now pain free!
Josh Danson's friend, Shimon Abrams, who was in ICU for several weeks due to COVID19 has been discharged to a rehab center. He is breathing, eating, drinking and walking again!

The Lord's love prompted several people to send money to help Kenyans who are suffering financially during the lockdown. Isn't God good!

Let's Pray Together:

For the Kenyans affected by the severe flooding all over Kenya this month which resulted in many deaths and over 100,000 people being displace from their homes.
For continued wisdom for the leaders of the countries battling this pandemic
For God to touch and heal those infected with COVID19

For God to encourage the discouraged who are affected because of COVID19
For people to turn to Jesus for hope and salvation during this time of uncertainty
For the cure to come according to God's will, be it miraculous or medicinal
For the JFM church leaders in Kenya to have wisdom as church services resume
For Mike to be able to fly safely to America on God's timetable

Please pray for these specific needs for American friends of JFM:

Healing and strength for Peggy, the Donehue's Mom who is battling cancer
Healing and strength for Dan Dimas as he waits for a liver transplant
Healing and strength for Richard Keto as he recovers from major back surgery
Let's continue to pray for Linda Rogers Friedrich's niece Nikki as we await an update.
